Enhancing the Friends of Nighthawks President's Advisory Group

February 20, 2019

At the February 20 Friends of Nighthawks meeting, members worked in groups to discuss and provide feedback on enhancing this President's Advisory Council.

What follows are the comments and feedback from their discussion

Question 1: Discuss and provide feedback on enhancing FON membership

- City representatives, key business owners, and NEISD.
- Workforce Solutions Alamo, Randolph AFB, San Antonio Manufacturers Association, Northeast Methodist Hospital, and Baptist Hospital.
- Health care (staffing/clinics), Business/industry, staffing agencies, workforce solutions, Quick Trip/QT, and JBSA Representatives.
- Current members will send contact information for potential new member additions.

Question 2: What are the goals you see for the Friends of Nighthawks?

- More involved in community events, interaction with new Business Club and other student organizations, and more opportunities for students to interact with local business owners.
- More volunteer opportunities for students.
- Assist with enrollment and decrease drop out rate (enhance persistence).
- Return of Great Conversations (inviting high school students to the campus to participate in workshops led by community members).
- Present at City Council Meetings, and Northeast Partnership presentations annually.
- Increase frequency of FON meetings to enhance collaboration and engagement.
- Employee workforce training for local businesses. Training on digital applications, software platforms, and retention and destruction of records (paper vs digital).

Question 3: What can you and/or your organization bring/contribute?

- TriCounty Chamber to continue to allow student volunteers and allow them to present, share campus information, and events.
- Sponsorship/scholarship assistance
- Bring guests and help collect feedback/email information.
- Internships for students.
- Community spokesman/woman and recruit/reconnect with former members.
