

## Northwest Vista College Welcome Message

### Welcome!

Thank you for your generous support during the 2022 Employee Giving Campaign. Together, we raised over \$37,000 for NVC students, programs, and various community initiatives.

Our 2023 Campaign will support three essential causes that improve the quality of life for students, faculty, staff and community through scholarships, The United Way of San Antonio and Bexar County, and theFund, supporting arts and culture in our city.

Since 2019, Northwest Vista College awarded more than \$180,000 scholarships to students. As a result of our collective giving district-wide in 2022, the Alamo Colleges Foundation has provided over \$2 million in scholarships to more than 2,000 students.

The United Way of San Antonio and Bexar County is the largest private investor in health and human services programs, providing direct services to many in our community, including Alamo Colleges students and employees. Your donation matters and counts toward that effort.

The impact we have in donating through the Employee Giving Back Campaign multiplies as we demonstrate to other donors and foundations that NVC faculty and staff are committed to student success through their daily work and through personal giving.

I invite you to consider making a donation this year of an amount that aligns with your personal values and finances. Your participation matters and every dollar makes a difference for those in our community who need support.

The most convenient way to donate is by using e-Pledge, this United Way electronic portal. You can also donate through payroll deduction, credit card, cash or check. Please join me in supporting the 2023 Employee Giving Campaign with your gift or pledge in any amount. Our Mission. Our Students. Our Community.

With sincere gratitude,  
Dr. Amy Bosley, Northwest Vista College President
