## 2013 Distinguished Graduate

## Mariana Sanchez

"There's no such thing as asking yourself If you can do it; it is saying, I know I can."

-Patricia Sanchez (mom)

## **Biography**

Mariana Sanchez graduated from Churchill High School. She is majoring in psychology and is planning to minor in dance. She entered SAC during the fall semester of 2010 and since has been involved in the SAC Dance Team, participated in the Flambeau Parade where they won 1st place, modeled in the fashion shows, danced for the talent shows and even choreographed a graduation dance to "Don't Stop Believing" to help promote graduation, along with many other events and fun classes at SAC.

This semester she is in the Dance Performance class and other dance classes where they can perform in an end of semester show along with other classes. Also, this semester she is finishing psychology classes and other credits needed in order to graduate and transfer to another school.

On the 11th day of May 2013, Mariana will be graduating as the very first distinguished graduate from the dance department at SAC and with an associate's degree in Psychology. Although her transfer university is undecided for the moment, her ultimate goal is to be a dance therapist.
