## Biography

Lillian Martinez has a nine year old daughter and a six year old son. She works part time and volunteers as much as time permits.

At SAC, Lillian was elected President of MAES: Latinos in Science and Engineering, served as Interim President of the Society of Women Engineers, and is an active member of the Society of Physics Students.

Lillian graduated with an Associate of Liberal Arts degree in May of 2013 and received an Associate of Science and Engineering in December 2013. Her short and long term goals are to obtain a Bachelor's Degree in Civil Engineering and a Master's Degree at UTSA. Her dream is to hold a project manager position for a local engineering firm and give back to the community that has contributed to her success.

Through sharing her experiences, Lillian wants to continue motivating students to pursue degrees in science, technology, engineering, and math.
