

Connecting your MacBook Device to a Wireless Network

<p>1. On the right side of the taskbar, you will see a wireless network icon like the one below. Click on it.</p>	
<p>2. Turn Wi-Fi on. A window with available network connections will open. Select the Alamo Guest.</p>	
<p>3. Select the Wireless Network Name (SSID) of network you want to connect to.</p>	
<p>4. Open a web browser, and enter your Alamo College Student Email, and then tap Log In.</p>	
<p>5. Congratulations!! You have successfully joined the Alamo Colleges Wi-Fi.</p>
