

G.1.4 (Policy) Student and Community Use of College District Facilities

Responsible Department: Vice Chancellor for Student Success, Vice Chancellor for Academic Success, College District Police Department

Board Adoption: 8-18-09

Last Board Action: 8-18-09

The grounds and facilities of the College District shall be used for the educational goals and purposes of the College District as set forth by the Board. Such uses, as determined by the Board, the Chancellor, and the college Presidents, have priority over any other use of College District facilities.

The College District prohibits the use, possession, or display of any firearm, illegal knife, club, or prohibited weapon, as defined at [F.4.2.1](#), on all property owned or controlled by the College District (“College District premises”) at all times. No violation of this policy occurs when the use, possession, or display of an otherwise prohibited weapon takes place as part of a College District-approved activity supervised by proper authorities.

Each college shall develop procedures for maintaining order on College District premises during periods of disruption. Such procedures shall be readily available in the respective college President’s office and shall comply with legal requirements noted in Subchapter E, Chapter 51 of the Texas Education Code.
