

How can I request removal of Banner Access?

1. Login to your College PALS application by going to <http://www.accd.edu/pals>.
2. Once you are logged in, select the **Employee Tab**.
3. Find the Employee Resources channel (on the left side column) and select the **Banner Access Request** link. *All who have completed Banner Training will have access to the Banner Access Request link.*
4. The screen shown below will display. Click the **Banner User Security/Access Requests** button.

TITAN Banner Finance / Purchasing Training Management System

Welcome, Yescenia Flores **DIST**

Please select the request and fill in all relevent information.
Make sure to select your supervisor from the dropdown list. Call 220-1698 for any problems.

Banner Finance	To request for training for a new employee. To request permissions (grans or withdraw) for employee who have already completed the relevent training.	Banner User Security/Access Requests
Banner Finance	To request new Organization, Account and Fund Codes.	New FOAP Code Requests

To change your college, Edit your Information in PALS > Employee tab > Train-Track. Correct college is required so that request is forwarded to appropriate approvers (i.e. College budget Officers).

The following screen will display. Type the PALS Username of the employee needing removal of Banner Access. Then, click the drop-down arrow and select **Remove Access to Employee**. Click the **Submit** button.

Welcome, Yescenia Flores DIST

Banner User Access Request/Updates

Banner access and form privilage are issued to employees with the understanding that they use the information to conduct official duties and no information will be disclosed to any person who does not have any official 'need to know'. Please refer to Alamo Community College District's (ACCD) confidentiality statement. All ACCD Employees will require to review and sign ACCD's Computer Security Agreement.

Banner ID or PALS ID* of the employee who needs the access: [*Lookup PALS ID](#)

Action Request:

* The Banner ID is much similar to PALS ID. It is different from email address for @accd.edu. Please make sure you have entered the correct ID. If you are not sure of the user id, use the link on the right (Lookup PALS ID) and get the correct id using the SSN.

If you want to get the employee for training select Request for New Employee Training. If the employee has already undergone the training, select any other appropriate options.

The following screen will display. Fill in the requested information. Click the **Submit Request** button.
