Bravo to student Robert Salinas for designing the NEC schedule cover for Summer and Fall 2005. Robert is a sophomore student at St. Philip's College, majoring in Studio/Fine Arts/Interdisciplinary Studies. Robert is the recipient of the 2004 Fiesta Commission Art Scholarship and the Black History 2005 Poster Scholarship. Most of the promotional items in the Fine Arts Department are his designs. He plans to continue his education at the University of Texas at San Antonio this fall pursuing a Bachelor of Fine Arts degree. If you are interested in submitting a schedule design, contact Elsa Cantu at (210) 590-5401 or at ecantu@accd.edu.

Picture above was taken March 30, during the NEC Annual Health Fair. Thanks to the following participants: Alzheimer's Association, Advo Care, Advanced Skin Care, Consumer Credit Counseling The Children's Shelter, Anytime Fitness, Huebner Chiropractic, National Kidney Foundation and Beauti Control for providing students with information on programs and services on nutrition, weight management, microdermabrasions, skin analysis, free credit counseling, information on Foster Care and Adoption, Membership Specials, kidney disease and stability demos. The event was a success and we thank everyone for their participation and support.
