

## EVER WONDER HOW TO BECOME A PEACE OFFICER?

Most cities and towns are not large enough to justify having their own Police Academy so they rely on programs like ours to train and license their officers. This training can only be offered by institutions licensed by the State Commission on Law Enforcement. The Continuing Education Training Network at San Antonio College has provided this service for over 33 years.

### **What's it take to qualify to get into the program?**

Basically, you will need a High School Diploma. If you have a GED, you also need 12 college credit hours unless you have served 2 years on active military duty. In addition you need a full criminal history background check and proof of U.S. citizenship.

For additional requirements and information, call (210) 486-1335 or visit our website.

**NEW CLASSES START**  
every 3 months for the  
*BASIC PEACE OFFICER PROGRAM*  
and every month for  
*PRIVATE SECURITY TRAINING*.

### **BASIC PEACE OFFICER PROGRAM**

The Basic Peace Officer Program is approved by the Texas Commission on Law Enforcement Officer Standards and Education (TCLEOSE). The program consists of 640 classroom hours divided into 4 separate phases. Each phase is taken in succession. Upon satisfactory completion of the 4 phases, the student is eligible to take the State Peace Officer Examination for Certification as a Law Enforcement Officer.

### **PRIVATE SECURITY TRAINING— LEVEL III CERTIFICATION**

**SLPS 1013:** This course provides training and upgrading in compliance with the provisions of the Texas Commission on Private Security. Level III Certification allows the Security Officer to carry a weapon. The student is required to qualify with revolver in order to successfully complete the course.
