

If **On-line** or **On-campus** courses are NOT your option then **consider a Video Course!**

Can You Click?TM

What is a Video Course?

Video Courses are college credit courses that **YOU** can view on television, by purchasing **videotapes** or **DVD's**, or by also videotaping **broadcasts** to watch at a time that is convenient to **YOU**.

- Video courses are **3-hour college credit classes** in which the entire course is being offered in a video format and broadcast setting.
- Video Courses **transfer the same** as other college courses.
- Video Courses **cost the same** as other regular college courses.
- Register for a Video Course the same way as for other college courses either through the **web** or **on-campus**.
- **Financial Aid** is **available** for those who qualify.
- Students can **download video course syllabi** through SAC Online website.
- Students take exams on campus, at approved distant sites and **some video courses give exams on-line**.

Video Courses can have up to 100 students per class!
