### Other VIA routes @ [www.viainfo.net](http://www.viainfo.net)

VIA operates numerous routes that drop off within a few blocks of campus. These routes come from all over the city and chances are you live close to one. To see the route and travel times for yourself, go to [viainfo.net](http://viainfo.net) and click on the Personal Trip Planner. Enter your starting address and San Antonio Community College, SAN PEDRO as your destination to see your options. Riding routes other than the 600 and 601 is not free, but a \$25 per month "Big Pass" for faculty and staff or a \$25 Semester Pass for students sure beats the cost of gas and dealing with parking hassles. Monthly Big Passes and student Semester Passes are available for purchase at the bursar's office.
