- **First-time borrowers are required to wait 30 days after classes begin before the first half of the loan funds can be released.**

See back of this page for more information about Federal Direct Loan program requirements.

Tuition & Fees Payment

Submitting a loan application does not guarantee approval and will not prevent classes from being dropped. The student is responsible to have another method of paying tuition by the payment deadline. Loan applications may not be processed in time and funds may not be received by payment deadline date.

Difference in Subsidized & Unsubsidized Loans

- **Subsidized:** the government pays the interest as long as the student is enrolled at least 6 credit hours.
- **Unsubsidized:** the student – not the government – is responsible to pay the interest even while enrolled.
- Both loans have a 6-month grace period before repayment begins.

PROCESSING & APPLICATION REQUIREMENTS

Apply for FAFSA!

- 2012-13 Free Application for Federal Student Aid (FAFSA) is required. FAFSA and any other required documents must be on file at the students' primary institution before a Federal Direct Loan Request Form can be submitted. Be sure to include the correct college code for the Alamo College you plan to declare as your Primary/Home Institution.

Submit the Alamo Colleges Direct Loan Application

- Complete and submit the tear off application (included in this guide) to your College Financial Aid Office.
- NOTE: Changing your Primary Institution after the loan application is processed will require student to submit a new loan application form to the new College. Allow a minimum of 10 weeks processing time for the new loan application.

Complete the eMPN and Loan Entrance Counseling Session On-Line

- All students must complete an electronic Master Promissory Note (eMPN).
- All Parent PLUS loan applicants must complete an electronic Master Promissory Note (eMPN).

  http://www.studentloans.gov
  - Must have your FAFSA issued PIN number (www.pin.ed.gov).
  - Use exact Name & Social Security Number as listed on your Social Security Card & FAFSA.
  - Date of Birth.
  - Driver’s License Number.
  - List two personal references with different addresses who you have known for at least three years.

- All new borrowers (not parents) must complete the Loan Entrance Counseling at: http://www.studentloans.gov.

Loan Application Processing

- Loan eligibility is calculated after all other aid is awarded, such as federal & state grants, federal work-study, and scholarships. Communication of loan processing or denials is posted to students account via the ACES student portal.
- Cancellation of Loan: Failure to maintain 6 hours minimum enrollment during any part of the loan period causes cancellation of the Federal Direct Loan. Un-claimed funds and/or future disbursements of a processed loan cannot be released as of the date student no longer meets the enrollment requirement. A new loan application is required in cases where enrollment drops to below 6 hours, and the 10 week minimum processing period may result in delay of future semester Federal Direct Loan funds resulting from the new or subsequent application submission.

- Loan applications are processed only if student is enrolled for 6 hours minimum when the application is reviewed.

Crediting Loan Funds to Students Account

- Loan proceeds are credited to your ACES Student Account after the funds arrive.
- The full loan eligibility is awarded in your ACES account, and is credited in two equal installments during the loan period. (Loan Period examples: Fall-Spring, Fall only, Spring only, Summer terms.)
- FEES: Loan origination fees, which are paid directly to the government, are deducted from the loan before funds are disbursed.
- Loan funds applied to the students account typically pay any outstanding balance first and any remaining loan funds are paid to the student by the College Bursars Office.
- Contact the Bursars Office for information about the refund process.
- Refunds may be issued as Electronic Refunds to the checking/savings account by going to the Alamo College website: click on VIRTUAL BUSINESS OFFICE and then to My Electronic Refund.

Penalty for Dropping Classes – Return of Title IV (R2T4)

Federal financial aid recipients who withdraw all courses enrolled before the completion of sixty percent (60%) of the semester or fail all courses enrolled for the semester are subject to immediate repayment of all or a portion of the funds received for the semester. The date of the final withdrawal recorded by the college Admissions Office is the official date of withdrawal. Notification will be sent to the student who will have forty-five days to repay the outstanding amount. Failure to make payment in full (payment plans are not allowed) by end of business of the forty-fifth day, requires the financial aid office to report the default status to the Department of Education. Students in default status are not eligible to receive future financial aid until the student shows proof via an official document from the Department of Education indicating the debt is paid in full or satisfactory payment arrangements have been made with the U.S. Department of Education. (HEA 668.22)
