Guide to MyMAP: Part 1

MyMAP is a series of modules, or online presentations, designed to help you succeed at Alamo Colleges. Each of the MyMAP modules contains various pages with helpful information comprised of text, videos, and supplemental links. This document will help you navigate through the MyMAP modules located on our MyMAP homepage.

1.) Go to the MyMAP webpage: http://www.alamo.edu/district/mymap/

2.) Click on “Learn About MyMAP” to watch a brief video tutorial.

3.) Next, click on the “Introduction to College & Pathways” link to begin the MyMAP process.

4.) Once you have finished viewing the content on the current page, click the “Next” button located on the bottom, right-hand side of the screen to go to the next page. You may have to scroll down to see the button on some pages.

5.) Continue by clicking “Next” until you are finished with the module.

6.) Once you get to the page titled, Next Steps, you may either click “Return to MyMAP Homepage” or “Continue to Admissions Process Module.”

7.) If you want to continue to the next MyMAP module, click “Continue to Admissions Process Module.”

8.) Continue by clicking “Next” until you are finished with the module.

9.) Once you get to the Next Steps page, you may either click the MyMAP link to return to the homepage or click the ApplyTexas link to apply for admission to Alamo Colleges.
