I-BEST Apartment and Building Maintenance Technician
St. Philip's College Southwest Campus

**Program Basics**
- Continuing Education Certificate
- 4 months
- Training in entry-level electrical systems, plumbing, HVAC systems, and interior and exterior maintenance
- Support and employment services available for eligible applicants

**Apartment and Building Maintenance Technicians** perform routine maintenance in both large and small facilities. Individuals must have basic knowledge of electrical systems, heating, ventilation, and air conditioning (HVAC), interior and exterior construction, and plumbing.

**Where do Apartment and Building Maintenance Technicians Work?**
- Apartment Complexes
- Hotels
- Office Buildings
- Department and Grocery Stores

**Average Starting Wage** $8.65/hr

**WHAT IS I-BEST?**
I-BEST students benefit from technical training that is combined with reading, writing, math or English language skills needed for training. Students in I-BEST programs enter training without needing to first complete ESL, developmental or adult basic education.
