Students who currently have a financial aid award posted to their ACES Award Summary for Summer or Fall 2014 will not be dropped at this time.

Students who do not have an award posted and did not meet the May 1 Priority Date must cover tuition or sign up for an installment plan if registered until their financial aid application is processed and eligibility determined.

Students who do not have a financial aid award posted by each payment deadline will be dropped.

Financial aid funds will begin crediting to the student ACES Account Summary 10 days before class begins.

Any funds that remain after tuitions and fees are paid will post to the students AlamoCash Card.

More information on the AlamoCash Card and Refund schedule can be found on the Student Financial Aid website at www.alamo.edu.
