Are you interested in teaching mathematics or science?
Interested in receiving $10,000 per year for 2 years?

Here’s how to join the GE²MS Teaching Program!
- Be a full time (12 or more hours) student at the Alamo Colleges
- Have an interest in teaching science or mathematics
- Complete the attached application.
- Return the application and schedule an interview.

Transfer to UTSA for your last 2 years of college and apply to receive $20,000 in Noyce Scholarship monies!
