National Science Foundation  
Math Intensive Majors (MIM) Scholarship Project  
Fall 2015 Application

Are you majoring in a STEM area?  
STEM =Science, Technology, Engineering or Mathematics

If you plan on enrolling in a MIM course (Pre-calculus, Calculus I, or Calculus II), and meet the program eligibility requirements, you may be eligible for a scholarship of up to $3,466 per semester.

Eligibility Requirements:
- Enrolled full-time at Northwest Vista College during the semester of scholarship award
- 3.0 GPA in mathematics and overall GPA (high school/college)
- Demonstrate financial need
- Majoring in math, science, engineering or technology
- Enrolled in one MIM course per semester (Pre-calculus, Calculus I-Calculus III)
- Have not previously earned a bachelor’s degree
- U.S. citizen or permanent resident status

Students wishing to be considered for the MIM Scholarship Project must submit the following documentation:
- MIM Scholarship Project Application
- Interview by a MIM Faculty (After you turn in the application)
- Student Aid Report (generated from FAFSA – www.fafsa.ed.gov)
- Financial Aid Award Letter
- Copy of High School or College Transcript (may be unofficial)
- 2 Letters of Recommendations (Two recent recommendations, preferably from teachers, employers or counselors).

For additional information on the MIM Scholarship Project or to submit completed application materials, please contact any of the MIM Faculty:
