Dear Dr. Loston:

It is with great pleasure that I write to acknowledge St. Phillip's College and the Business Information Solutions Department on being reaffirmed as a National Center of Academic Excellence in Cyber Defense Two-Year Education by the National Security Agency and the Department of Homeland Security through the Academic Year 2020.

This designation is a testament to St. Phillip's College commitment to continued excellence in Cyber Defense Education. The significant work of your institution ensures our students are prepared to be an integral part of the technical workforce to protect our country's networks from vulnerabilities.

Again, congratulations on earning this great distinction. Please do not hesitate to call on me if I can be helpful to you or the college in the future.

Sincerely,

Joaquin Castro  
United States Congressman
