VI. The course is aligned with and will be offered with another course which is:

- a. _____
- b. N/A

VII. The performance measures (how the course will be graded) for the course does meet the requirements of the college and are included in the attached basic College Course Syllabus.

Faculty Qualifications and Requirements

VIII. In compliance with *Alamo Colleges Board Policy, D.2.3.2 (Procedure) Faculty and Department Chair Positions*; the course(s) offered at the high school or college, will be taught by a high school teacher or College instructor qualified for this course as stated below:

- a. For general education courses in the arts and sciences: doctorate or master’s degree in teaching discipline or master’s degree with a concentration in the teaching discipline (a minimum of 18 graduate semester hours in the teaching discipline)
- b. For career/technical courses: academic preparation and work experience should be obtained, typically a combination being a bachelor’s degree with appropriate work experience. A master’s degree is required for faculty teaching courses where college transfer is a goal or where substantial numbers of students transfer to senior institutions.

The minimum requirement will be supplemented as necessary in accordance with criteria established by appropriate professional, regional, and national accrediting agencies.

The high school dual credit teacher shall be hired by the College through the adjunct hiring process before the course begins. Instructors with foreign degrees need translation and course equivalency certification from an accredited certification in the United States.

Enter any additional hiring information, if necessary:

Here is a list of approved agencies in the United States to have foreign transcripts translated:

IX. Faculty development/training required for eligibility to teach the course is:

- a. Not applicable or
- b. (list requirements):

X. Regular evaluation of the course, in accordance with the Alamo College’s Faculty Evaluation Procedures, will consist of the following, at a minimum:

- a. Course Syllabus
- b. Student Surveys each semester in each class
- c. Classroom Observations as defined in the Faculty Evaluation Procedures

Student Requirements

XI. The students in the course will consist of (**check all that apply – more options on page 4**):

Dual Credit and Early College High School:

- a. Dual credit students only (for courses held at the high school campus or college campus).

- b. Dual credit students and AP students.
- c. Dual credit students and Pre-AP students.
- d. Dual credit students and high school credit-only students - The course involved is required for completion under the State Board of Education’s applicable graduation plans and the high school is otherwise unable to offer the course.
- e. Dual credit students and regular college students on the college campus.
- f. A distance learning course with regular college students and dual credit students.
- g. A distance learning course with dual credit students only (for courses held at the high school campus or college campus).
- h. A mix of dual credit students, early college high school students, and/or academy students, whether face to face or online.

Alamo Academies:

- a. Dual credit students only, on the College campus.
- b. Dual credit students and regular college students, on the College campus.
- c. A mix of dual credit students, early college high school students, and/or academy students, whether face to face or online.

XII. The eligibility requirements (basic skills prerequisites, college credit prerequisites and assessment placement score requirements) for enrollment in the subject are:

XIII. A basic College Course Syllabus with course description, textbooks, and student learning outcomes is attached.

Agreement is for three academic years from start term. Request for review and revision may be made by either party during the three-academic year period. Any revision must be accompanied with a revised syllabus.

Agreement can be made with ISD for all high schools or with individual high schools not associated with an ISD (Private/Public Charter).

¹The textbook/material(s) for courses delivered by the College are on a three year cycle that may interfere with this agreement. Written notification will be provided to the High School when change occurs with textbook/material requirements.

²Caution: The Instructional Materials (IM) charge applied to subjects delivered by the College cannot be removed from individual student records if dual credit students are enrolled with regular college students. Therefore, the High School will be invoiced for each enrolled student in courses with IM charges delivered by the College regardless of the instructional method. Prices vary per subject and

possibly per CRN built for the subject depending on the College's program needs for the subject in question.

³Transfer credit clarification. The College's reference to transfer credit is in compliance with the *Texas Administrative Code, §4.24, Transfer of Credit, Core Curriculum and Field of Study Curricula*. Although, the course listed in this agreement is fully transferable among public institutions and can be substituted for the equivalent course at the receiving institution; the rule allows the receiving institution to determine the applicability of transferred courses for specific programs. Additionally, this rule applies specifically to academic courses and degree programs, and does not apply to technical courses or technical degree programs.
