ST. PHILIP'S COLLEGE

FINANCIAL AID APPEALS INFORMATION SESSIONS

For students seeking Federal Financial Aid, the Department of Education has requested all colleges to implement a Satisfactory Academic Progress Policy. According to policy, you may be put on suspension from Financial Aid due to having too many academic hours or low academic performance. If you are on suspension, you may submit a Financial Aid Appeal.

Students on Financial Aid Suspension at St. Philip's College are **required** to attend a one-hour Financial Aid Information Session in order to receive an Appeal Packet. Students will learn more about the policy, and be provided tips and advice on submitting a strong appeal!
