---

Michael Chapman, Instructor, English

Angela Hager, Associate Professor, English

Dr. Denise Menchaca, Professor, Speech

Brianda Carrasco, Instructor, Education

## Carrying of the Ceremonial Mace

---

Cristela Garcia, M.S.W., LCSW  
Director of Student Advocacy Center

# MESSAGE FROM THE PRESIDENT

**Dr. Veronica Garcia**  
President  
Northeast Lakeview College

On behalf of the Northeast Lakeview College family, I am excited to extend a sincere congratulations to the class of 2026. Today marks the highlight of our academic year and demonstrates the dedication of each of our graduates to reach this milestone.

As we gather here today to celebrate student achievement, I want to take a moment to acknowledge the hard work, dedication, and sacrifice that brought each of you to this point. You have worked tirelessly to get to this point in your educational journey and you should be proud of your accomplishments.

I am honored to be a part of a community of faculty, staff, and administrators that values student success. Guided by our core values, we prepare students for their futures as they learn to become critical thinkers outside of the classroom and an asset to the communities that we serve.

I applaud the families and special guests of the graduates joining us to celebrate the achievements of each of these students. Each of you have played a role in their success.

As our graduates prepare to leave NLC, and become our newest alumni, I challenge them to continue to be their best self. Use the skills they gained at our institution and those experiences they have yet to encounter to empower them to become the leaders I know they can be.

Go confidently in the direction of your dreams  
And live the life you have imagined.

-Henry David Thoreau

# SOAR GRADUATE

**Cortnie “Nicole”  
Garner**  
SOAR Graduate

At the Northeast Lakeview College Commencement Ceremony, one student is selected to represent the graduating class and provide commencement remarks. Interested students apply for consideration and are reviewed and selected by a cross-college committee of faculty and staff. SOAR represents Success, Opportunity, Achievement, and Responsibility. The student selected best represents these characteristics.

Niccole is a Northeast Lakeview College (NLC) graduate with a 4.0 GPA and earning two degrees; an associate of arts and an associate of science with a focus on Biology. Active at NLC, Niccole is a Peer Ambassador in the Student Life Office and a member of the Phi Theta Kappa (PTK) Honor Society and Women Leaders of NLC Student Organization. An advocate of higher education, she often finds herself sharing the wonderful stories from students who have been positively impacted by an Alamo Colleges education. She realizes how special it

is to have the opportunity to grow and learn, while also embracing challenges.

Her next steps include transferring to Old Dominion University to pursue a Bachelor of Science in Dental Hygiene and complete the skills needed to work as a Clinician. Driven by a desire to truly know and support the individuals she serves, Niccole is committed to forming strong patient connections. She believes that every interaction is an opportunity to build trust, offer comfort, and make a meaningful difference in someone's experience. She hopes to one day use her skills to do volunteer work and provide dental care for people in rural or underserved areas.

Representing the class of 2026, Niccole embraces the role with purpose and passion. Her ability to lead with empathy and strength sets a powerful example and reflects her dedication to serving both her peers and future patients.

# HONORARY DEGREE

**Lisa Phillips**  
Recipient

**Sgt. Rambo**

Lisa Phillips is a U.S. Army veteran, nonprofit founder, speaker, and advocate whose life's work was sparked during her time as a student at Northeast Lakeview College (NLC). Lisa exemplifies outstanding public service through her lifelong commitment to civic leadership, military service, and advocacy for the nation's four-legged heroes.

While pursuing her associate degree from 2011 to 2012, Lisa enrolled in an English course at NLC, a moment she now calls a "divine interruption" that changed the trajectory of her life.

Assigned to write about a topic she was passionate about, Lisa chose military working dogs (MWD), stemming from her background as a veterinary technician in the Army, where she earned a Certificate of Achievement, the Army Achievement Medal, and the Good Conduct Medal, and witnessed firsthand the lack of medical benefits provided to these dogs after service. Her civic leadership began to take shape during this time at NLC, through her involvement in the Politics in Action Club and her commitment to civic engagement. In response to her college initiatives, she was recognized as the Alamo Colleges Student of the Month in December 2012.

After receiving an A+ on her paper, her instructor encouraged her to take the bold next step and send it to Congress. What began as a classroom assignment quickly grew into a national mission. That same semester, Lisa shaped every speech in her public speaking course around this cause, presenting as if addressing members of Congress.

Lisa's advocacy was deeply influenced by her own MWD, Gizmo, whom she later adopted after caring for him while on active duty. Through relentless pursuit, and key relationships, Lisa connected with the late Congressman Walter Jones and Senator Richard Blumenthal, helping to draft and refine the Canine Members of the Armed Forces Act. Her work acquired bipartisan support, and this legislation was signed into law by the President in January 2013.

Lisa has spoken at press conferences, congressional events, hearings, and national media appearances, including the *Today Show*, advocating for military working dogs and elevating their stories

on a national stage. Lisa and her 3rd retired MWD, Marine Sgt. Rambo were also an integral role in helping establish K9 Veterans Day recognition in Connecticut, which is now honored annually on March 13, the day the K9 Corps was established over 80 years ago.

Out of this mission, Lisa founded Gizmo's Gift in 2013, a nonprofit named after her first military working dog. Today, the organization covers all veterinary care cost of any retired or active military, police, TSA, or border patrol K9s, and supports K9 teams overseas to reunite retired K9s with their previous handlers, allowing countless working dogs to receive life-saving care and honor after service.

Lisa later shared her story on the TEDx San Antonio stage, crediting NLC, its faculty, and her mentors for helping shape her path and amplify her voice. In honor of her advocacy and the legacy of her retired military working dog, Sgt. Rambo, space recognizing his service and impact was established in NLC's Nighthawk Legacy Center, a building that provides dedicated support to Veterans and military-connected students.

These achievements reflect a continued commitment to public service, ethical leadership, and the overall well-being of communities statewide and nationally. In recognition of this impact, Northeast Lakeview College proudly awards Ms. Lisa Phillips an honorary associate of arts degree—celebrating a journey that stands as a testimony to the power of education, obedience, courage, and the truth that one assignment, and one voice can change lives across the nation and beyond.

# Commencement History and Traditions

**Academic Regalia** - Academic gowns represent a tradition which comes down from the universities of the Middle Ages. In 1895 in the United States, the Intercollegiate Commission prepared a code specifying the design and color of academic regalia. Under this code, the Bachelor's Gown has long pointed sleeves and is designed to be worn closed. The Master's Gown has an oblong sleeve, which gives the impression of a short sleeve. The rear part of its oblong shape is square cut, and the front portion has an arc cut away. The Doctor's Gown has bell-shaped sleeves. Doctor's and Master's recipients wear hoods which may represent the color of the college or university from which the degree is received.

Caps are the traditional mortarboard except for the Doctor's degree, where a four-sided velvet tam is optional. Caps from schools with special color gowns, or from foreign universities, may be more distinctive. Holders of all these degrees wear the tassel on the left. Candidates for graduation wear the tassel on the right.

**College Mace** - The mace is a traditional symbol of authority. During the Middle Ages the mace served the practical purpose of protecting the academic procession from local rowdies. Today, the mace is part of the heritage and pageantry of the academic procession.

**AlamoPROMISE** - Offers graduating high school seniors in Bexar County the opportunity to attend one of the Alamo Colleges tuition-free. It combines financial aid, grants and/or scholarships to cover tuition and fees for an associate degree or up to three years. These graduates are designated with a white stole

**Early College High School** – Students graduating from an Early College High School program are represented with a light blue cord.

**Honors** - The Honors designation is represented with a bright yellow cord for students earning a NLC GPA of 3.50 and above.

**Honors Academy** - This program encourages NLC students with high scholastic achievement to take on the additional academic rigor of the Honors Academy. Graduates of the Honors Academy will receive Honors Distinction on their transcript.

**National Society of Leadership & Success** - The Society is the largest leadership society in the nation with a mission of building leaders to make a better world. Students complete a leadership program prior to induction and are represented with a grey designation.

**Military Designation** –Students and employees that are active duty or retired military are represented by a red, white, and blue cord.

**Phi Theta Kappa** - Members maintain an overall grade point average of 3.25 or above. These candidates have been inducted and have participated in the dues-paying International Honor Society for two-year college students. Phi Theta Kappa is represented by the gold honor stole.

**Student Government Association** - Members are the official voice of the student body and link between the student body and the administration of the College to improve the quality and value of both the social and educational experience. SGA members are represented by a blue and white cord.
