ADDENDUM II
Purchase of Commercial Insurance Lines of Coverage
CSP No. 19A-016

I. The following is being provided in response to questions received:

- A. Do you require the offeror to only respond to the section they can offer services or do you also want the offeror to acknowledge the section they will not respond by explaining the reason(s) they cannot offer such services.

Response: As per Section 1.A.1 of the CSP: Offerors are invited to quote any or all of these lines of insurance coverage. Proposals for multi-line aggregate deductibles and traditional single-line high and low deductibles are encouraged in order for Alamo Colleges to consider all options.

- B. Due to the short time remaining and size of the colleges property values, we need to receive the excel statement of property values asap or our underwriters will not have time to offer a quote.

Response: An Excel statement of property values is being provided with this addendum as attachment II.

- C. We are requesting Loss runs for all lines of coverage for 2014-15.

Response: Loss Runs were previously provided for 2015 - 2019 with release of this CSP and its` attachments; and available at: <https://www.alamo.edu/about-us/offices-departments/departments/purchasing>.

Additionally, Loss runs for all lines 2014-15 have been requested and will be provided in subsequent Addendum.

The deadline to submit a proposal for this project is by no later than 2:00 p.m. C.S.T., June 11, 2019
