

Seamless Pathways...Endless Possibilities!

4th Annual Alamo Area College Access and Completion Summit
University of the Incarnate Word
February 22, 2019

Call for Proposals
DEADLINE: November 28, 2018

The vision of the Alamo Area College Access & Completion Summit (AAC&CC) is to build relationships to forge academic and career pathways among school districts, higher education institutions, community-based organizations, and civic and business leadership to promote greater student success outcomes. Currently, the consortium has over 28 regional partners and is excited to put a call out for proposals for our 4th Annual Summit.

This year's annual Summit theme is: **Pathways and Workforce!**

The focus will be on professionals from school district, community-based organizations and higher education sharing of best practices, tools and resources that support the engagement with students in their future pathway to workforce. The overall goal is to help the community unite to support and increase student success.

Proposals will be evaluated based on clarity, relevance, timeliness, and creativity. Proposals from experienced and new practitioners, administrators and researchers are welcomed. Priority will be given to cross-sector collaboration, such as co-presenters from K-12 and Higher Ed, or 2-year and 4-year institutions, or community based organizations and the business sector.

For further information, please see the Event Webpage: <https://www.alamo.edu/aacacc>

In a Microsoft Word document, please provide an abstract (limit of 250 words) of your presentation along with the following information:

Presentation Title:

Name: Job Title: Presenter/ Co-presenter (s):
