

The **Speech** program would like to engage our pre-majors as follows:

Recruitment through NSO

We WILL NOT be attending recruitment events at local high schools

We WILL contact students interested in attending SAC to study Speech to meet prior to enrollment

We WOULD like the contact information of all prospective majors planning on attending NSO

We WILL be attending as many as possible NSOs

We WOULD like to remove our pre-majors from NSO for a separate advising session

At NSO we WOULD like advisers to refer all pre-majors with a faculty mentor or the chair for that day or a later date.

Under 30 Hours

We WOULD like to meet with our pre-majors ONCE a SEMESTER prior to completing 30 hours

We WOULD like to review our pre-majors ISPs

We WOULD like advisers to advise our students prior to completing 30 hours

Over 30 Hours

We WOULD like to meet with our pre-majors ONCE a SEMESTER after completing 30 hours

We WOULD like advisers to also advise our students after completing 30 hours

We WOULD like our faculty to discuss transfer with our pre-majors

Working with Advisers

We WOULD like to meet with advisers in our institute once a semester

We WOULD like the advisers to release pin numbers

We WOULD like to fill out and sign all graduation applications

We WILL connect students to faculty at transfer institution

We WILL eventually assist with creation of our student's e-portfolio if applicable

We WILL engage in co-curricular activities

Through mentoring, curricular, co-curricular, and extra-curricular activities Speech faculty will.....

<p>Discipline Goals</p>	<p>Engage with students interested in Speech as individuals who share a common passion for the subject</p>	<p>Explore and communicate to students career opportunities available to Speech majors, including in K-12 teaching</p>	<p>Articulate the “marketable skills” that come from the study of Speech</p>	<p>Assist students in identifying, selecting and applying to transfer institutions to peruse the study of Speech</p>	<p>Provide and recommend students at SAC follow degree pathways that allow for efficient transfer and graduation</p>
<p>Activities</p>	<p>Faculty research presentations Speech Team Attending and/or participating in conferences, presentations, organizations</p>	<p>Meeting majors during NSO Faculty mentoring sessions with students</p>	<p>Train Speech program faculty on “marketable skills” and how to articulate them to students Discuss skills during mentoring sessions Hold workshops for majors on articulating “marketable skills”</p>	<p>Meet with students during mentoring session to discuss graduations and transfer</p>	<p>Meet with students during NSO Train faculty and advisers on Pathways Faculty mentoring sessions with students Articulate to students these universities’ program goals</p>
