**Student Background Disclaimer:
Many healthcare-related positions require applicants to undergo a criminal background fingerprint test and/or drug screening. A criminal history may prevent licensing, certification or employability. As you are considering a CE program that requires a criminal background/fingerprint test and/or drug screening, are responsible:
- For knowing whether if they are eligible for licensure or certification before committing to a CE program, and
- Contacting the respective certification agency to find out if a conviction will prohibit them from being certified and able to work in the industry.

Refer to the Allied Health Requirements Checklist for pre-requisites and externship requirements. .

*Tuition for these programs include book(s) and exam voucher for qualifying students

Industry	CE Program	Outcome	Format	Program Cost	RTW approved
