Breakout Sessions

Track	Session Name	Description	Presenter	Target Audience	Location
Institutional Research	How to lie with statistics	How to and how not to use data analysis	Dr. Savithra Eratne	ALL	MLC 4 th Floor Performance Area
Learning Assessment	Understanding the Learning Assessment Validation Committee (LAVC) Process	You've received recommendations from the LAVC committee, now what? The session will help you better understand the LAVC recommendations for implementation.	Dr. David Wood	FACULTY	MLC 650
Strategic Planning	Beyond Storytelling	Pieces of your Unit's Story – What the pieces tell us! An overview of strategic plan assessment elements.	Ester Coronado	STRATEGIC PLANNING LEAD	MLC 623

1:45-2:20pm: Breakout Sessions

Track	Session Name	Description	Presenter	Target Audience	Location
Institutional Research	Predicting the future: gazing thru the crystal ball	New approaches in identifying students in need of support for course completion	Dr. Savithra Eratne	ALL	MLC 4 th Floor Performance Area
Learning Assessment	Incorporating eLumen Student Dashboard in the Classroom	How easy is it for students to engage with the Student Dashboard? A shared Canvas module is currently being used in the Student Development/EDUC classes. Let us show you the module that you can incorporate into your course(s).	Jolinda Ramsey Julie Razuri	FACULTY	MLC 650
Strategic Planning	Strategic Planning Insights	SAC Strategic Planners share how they use and manage strategic planning, what drives them to be strategic planners, how their personnel is included in the strategic planning process, and tips for a successful strategic planning process.	Dr. Tom Cox Christina Horton Usha Venkat	STRATEGIC PLANNING LEAD	MLC 623

2:25-3:00pm: Breakout Sessions

Track	Session Name	Description	Presenter	Target Audience	Location
Institutional Research	Lookup your data	Where to find the data at State and College levels	Dr. Savithra Eratne	ALL	MLC 4 th Floor Performance Area
Learning Assessment	Creating an Assessment Through the ePortfolio in eLumen	Have you thought about building an assessment directly into eLumen? This workshop will walk you through the steps of creating an assessment template that can be assigned to students. Portfolio templates can serve to satisfy the requirements of one course or a series of courses as the student progresses toward graduation and employment.	Jolinda Ramsey Julie Razuri	FACULTY	MLC 650
Learning Assessment	SAC Student Success: Leading with Learning	During this session, we will focus on distinguishing between SLOs and SSLOs and identifying Marketable Skills taught in Student Success areas. We will also have an overview of the Student Success assessment process.	Jennifer Alvizo Christi Horton	STUDENT SUCCESS	MLC 652
Strategic Planning	“Sensors and Sensibility”	This presentation will explore some common pitfalls associated with Measurement, Evaluation and Accountability in Higher Education. Tips for avoiding the most common pitfalls will also be presented, along with a question-and-answer period for interested observers. If you have ever wondered how to make your department more effective, or have understandable anxiety about the evaluation process, this session is for you!	Karlerik “Erik” Naslund	STRATEGIC PLANNING LEAD/ INTERESTED STAFF	MLC 623
