Sharp's 26" Class (26" Diagonal) LC-26DV27UT LCD TV provides a convenient built-in DVD television solution with a distinctive design. The LC-26DV27UT features a side-loading progressive scan DVD player, a high-performance LCD panel for high brightness, a high contrast ratio, low-reflection glare protection and wide viewing angles.

**Features**

- **16:9 Aspect Ratio (1366 x 768) LCD Panel**
  displays 16:9 widescreen programs in their native aspect ratio without the need for scaling or other video processing.
- **Built-in Side-Loading Progressive Scan DVD Player**
  is the ultimate in convenience!
- **Built-in ATSC/QAM/NTSC Tuners**
  for DTV and analog TV viewing.
- **High Brightness**
  Sharp LCD TVs are very bright, so you can put them virtually anywhere – even near windows, doors or other light sources – and their picture is still vivid.
- **Dual HDMI™ Input**
  for convenient connection to digital devices.
- **High Contrast Ratio**
  proves incredible images whether you're watching dark or bright scenes!
- **PC Input**
  easily turns your TV into a PC monitor.
