I certify that the information on this application is complete and correct and understand that the submission of false information is grounds for denial of my application, withdrawal of any offer of admission, cancellation of enrollment, or appropriate disciplinary action. I understand that the Alamo Colleges expect a high standard of conduct from its students, and if accepted for admission, I will abide by all rules and regulations of the college as set forth in college publications. I authorize the college to verify the information I have provided. I agree to notify the college Program Manager of any changes in the information submitted.

If my application is not complete, it will delay the ACEPP personnel from reviewing my application and the application will be placed on a waiting list until all documents are received. I also understand that the application fee, and documents submitted to the ACEPP will not be returned.

I hereby affirm that I do not possess a certificate which is currently suspended, revoked, or pending any such citation in any state. Any criminal act preventing me from achieving teacher certification is not the responsibility of the Alamo Colleges Educator Preparation Program (ACEPP).

I understand that I must secure placement as the teacher-of-record in a Texas Education Agency (TEA) accredited school within the subject and grade level I am seeking in order to fulfill internship requirements within the 50 miles radius from the home campus. I understand that acceptance into and completion of the program does not guarantee employment by a school district. I also understand that I must abide by the attendance and refund policy of Alamo Colleges.

I agree to abide by all rules put forth by the state of Texas. Additionally, I agree that if my background check is returned and found with violations, I will not receive recommendation towards a standard certificate*.

Bacterial Meningitis Information

This information is being provided to all new college students in the state of Texas. Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely fast so take utmost caution. It is an inflammation of the membrane that surrounds the brain and spinal cord. The bacteria that cause meningitis can also infect the blood. This disease strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year. There is a treatment, but those who survive may develop severe health problems or disabilities.

Additional information will be provided with the admissions application when you register.
