## **ADDENDUM V (Last Addendum)**

### **PURCHASE OF ARCHITECTURAL/ENGINEERING/MASTERRENOVATION PLANNING SERVICES RFQ 2026-0077**

- I. **QUESTION:** Section 8.1.1 (Criteria One: Offeror's Experience) asks that we provide a statement of interest for the project, including a narrative describing the Prime Firm's and Project Team's unique qualifications as they pertain to example projects listed in Section 3.4. Include whether the proposal is submitted for: 1) Master Planning and Programming Services, 2) Multidiscipline Design Services, or 3) Civil Engineering Services. My question is, what are Multidiscipline Design Services?

**ANSWER:** Multidiscipline Design services encompass all the disciplines necessary for full designs as listed in this request for qualifications. This set of capabilities can be presented as a single firm or team of firms with prime and subconsultants, or a Joint Venture with or without subconsultants.

- II. **QUESTION:** I understand what Technical Approach means, but I would like to know what Alamo Colleges is looking to see for this type of question.

**ANSWER:** ACD is looking for responses that differentiate the proposal from others, and "Technical Approach" is sufficiently broad to allow some latitude to do so

**\* Please acknowledge receipt of this Addendum V with your proposal. \***

**REMINDER:** If you are unable to access or download the proposal through the e-sourcing portal, please deliver a hard copy and a flash drive by the deadline to

**The deadline for submittal of responses for this project is 2:00 pm (CT), November 10, 2025.**
