The safety of our community is a shared responsibility, and we work tirelessly to ensure that we are both responsive to and aligned with the needs and concerns of those we serve.

In alignment with our compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), this report provides a comprehensive overview of our safety programs, crime prevention initiatives, and the statistical data required by federal law. The Clery Act mandates transparency in campus safety. It requires institutions like ours to provide timely information regarding crime and safety matters so that all students, employees, and visitors can make informed decisions about their safety.

Department Overview

The Alamo Colleges District Police Department is accredited through the Texas Police Chiefs Association Law Enforcement Accreditation Program (TxLEAP) and provides law enforcement services to all components of the Alamo Colleges District, including academic campuses and various satellite facilities throughout the Alamo Colleges District service area.

The Department has 127 authorized positions, including 84 [State-Certified Peace Officers](#), 16 Communications Officers, 7 Administrative Support Personnel, 1 Physical Security Systems Administrator, and 19 Public Service Officers. The department maintains a fully staffed Investigations Division and an Emergency Communications Center, which operates year-round, 24 hours a day, with full interoperability capabilities.

To ensure a safe campus for our students, staff, faculty, and visitors, the department has armed, uniformed officers on patrol 24 hours a day. Our officers work three shifts to provide this around-the-clock coverage.

Patrol is the core of the Alamo Colleges District Police Department. These officers are responsible for answering calls for service, responding to alarms, and enforcing state criminal and traffic laws, as well as the rules of the Alamo Colleges. The department also has police officers responsible for specialized assignments, including Criminal Investigations, Crime Prevention, and Bicycle Patrol.

Jurisdictional, Enforcement, & Arrest Authority of the Alamo Colleges Police Department

The Alamo Colleges District Police Department is the primary police authority for the district's colleges. Our Officers are certified Texas Peace Officers, as defined in Article 2.12 of the Texas Code of Criminal Procedure.

Pursuant to Section 51.203 of the Texas Education Code, the primary jurisdiction of Alamo Colleges District Police Officers includes all counties in which property is owned, leased, rented, or otherwise under the control of the Alamo Colleges. As peace officers, the department's police officers have the same authority to detain and arrest as municipal police officers.

The Alamo Colleges District Police Department is computer-linked to city, state, and federal criminal justice agencies, which provides access to criminal records, wanted persons, stolen property, and vehicle information. All crimes reported to the Alamo Colleges District Police Department are thoroughly investigated and referred for prosecution through the District Attorney's Office when appropriate. Criminal matters involving our students may also be referred to the relevant administration for disciplinary action.

The Alamo Colleges District Police Department maintains excellent working relationships with all area law enforcement agencies, including the San Antonio Police Department, the Live Oak Police Department, the Universal City Police Department, the New Braunfels Police Department, the Bexar County Sheriff's Office, the Texas Department of Public Safety, and the local field office of the Federal Bureau of Investigation. These working relationships are maintained through periodic communication among agency administrators and frequent contact between line officers and investigators cooperating on specific cases.

Professional Standards

The Police Department's relationship with the community and our commitment to providing excellent services are vital to achieving our mission of safe and secure campuses. All members of the Alamo Colleges District community can expect to be treated courteously and professionally by members of our department. The Alamo Colleges District Police Department will not tolerate an employee who acts unprofessionally or rudely or does not provide an appropriate level of service.

The quality of our service depends partly on feedback from the community we serve. Please help us improve our department by bringing any concerns, complaints and/or compliments to the attention of any of the following individuals promptly:

- Request the on-duty Police Patrol Supervisor by calling 210-485-0099; this individual is available 24 hours a day.
- Address written correspondence to: Chief of Public Safety, Alamo Colleges District Police Department, 2222 North Alamo Street, San Antonio, Texas 78215, or hand-deliver to the Alamo Colleges Center of Excellence for Student Success (ACCESS).

Incident Reporting and Response

Any criminal offense, suspected criminal activity, or other emergencies on campus should be reported directly to the Alamo Colleges District Police by telephone, in person, or by dialing 485-0911 from any campus phone or by using one of the emergency telephones located throughout our campuses (campus elevators are also equipped with emergency phones). For non-emergencies, dial 485-0099.

Upon receiving the call, the Emergency Services Division personnel can provide information or dispatch officers as necessary.

The email address for the Alamo Colleges District Police Department is dst-dpsdispatch@alamo.edu; however, requests for police service should not be sent via email.

Alamo Colleges District Police Officers patrol in vehicles, on bicycles, or on foot and are eager to assist.

The Alamo Colleges District Police Department will respond as quickly and safely as possible to any request for assistance, whether it is an emergency or not. Response time is based on current activity and the severity of the call. Crimes in progress, alarms, traffic accidents with injuries, and medical assistance have a higher priority than other calls.

We cannot overemphasize the importance of prompt and accurate crime reports, regardless of when they occur. If a crime is not promptly reported, evidence can be destroyed, or the opportunity to apprehend the suspect may be lost. Without accurate reports, leads could be missed, and the investigation could be misdirected. If you witness a crime or emergency, promptly report it to the Alamo Colleges District Police Department and be prepared to answer questions as accurately as possible. The subsequent investigation can only be as thorough as the information received. If you are the victim of a crime or have seen or received information about criminal activity or other emergencies, please contact the Alamo Colleges District Police Department immediately.

Reporting Criminal Offenses to Campus Officials

Faculty, staff, and students are encouraged to report any problems with the campus environment directly to the Alamo Colleges District Police. Still, you may also report criminal offenses to designated campus officials (including but not limited to directors, deans, and department heads) or to other local law enforcement agencies.

Crimes can be reported anonymously by calling Crime Stoppers at (210) 224-STOP. The Alamo Colleges District Police Department, Counseling and Psychological Services, and the Department of Student Affairs at each campus will accept confidential and anonymous reports of crimes for inclusion in the annual statistical report. Although exempt from the reporting requirements of the Clery Act, pastoral and professional mental health counselors are encouraged to refer persons they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual statistics, especially if the incident poses a continuous threat to the campus. Our goal is to assist wherever the report is made to ensure we include the crime in our annual security report.

Timely Warning Policy

If a situation arises, either on or off campus, that, in the judgment of the Alamo Colleges District Police Department or the Alamo Colleges District Emergency Management Coordinator, constitutes an ongoing or continuing threat, a campus-wide “Timely Warning” will be issued. This “Campus Crime Alert” warning may be issued through the emergency notification system via text, phone, and email; the campus email system to students, faculty, and staff; publishing on the Alamo Colleges District website; and/or the posting of flyers.

Personal Safety is paramount – it’s everyone’s responsibility. The Alamo Colleges District Police Department encourages you to attend ACDPD presentations on personal security and safety, held throughout the semester.

Each week, the Alamo Colleges District Police Department publishes a “Police Blotter” available to the media, the public, and various campus offices. This summary identifies the type, location, time, and date the crime was reported. You may view this “Police Blotter” via the department web page and click on the [“Police Blotter”](#) section. A printed copy of this report may also be obtained by calling (210) 485-0099.

Access and Maintenance of Campus Facilities

The Alamo Colleges District uses a programmable access control system throughout the district. The buildings are generally open at 7 a.m. and closed between 10:00 p.m. and 10:30 p.m. daily. College faculty are responsible for opening and closing their respective classrooms and faculty offices. Access Control and our officers are responsible for verifying all buildings are secured at the end of each day.

For special activities, events, and other functions, including construction, scheduled after duty hours

and on weekends, Alamo Colleges Police personnel shall open and secure the buildings upon written request. After normal operating hours and on weekends, access to facilities shall be restricted as much as possible, consistent with academic requirements.

A person without a key or access control ID card who needs access to a particular room should contact their vice-president of college services, department chairperson, or college facilities coordinator to have the door opened.

All campuses with building construction or renovation in progress are secured with chain-link fences and are off-limits to students, faculty, staff, and visitors.

Facilities/Maintenance

Facilities/Maintenance Requests (Hotline): Requests for maintenance and repair services should be made by contacting the hotline at 210-485-0111 and following the prompts for the appropriate campus.

- An emergency (utility failure, fire protection system failure, heating/cooling, security alarm system, certain fire or safety hazards, etc.) will be responded to immediately. Facilities/Maintenance will strive to complete the request within five business days if the request is urgent (fire, health, or safety hazards that do not qualify as an emergency).
- Routine requests will usually be completed in 30 days if supplies are in stock. The individual submitting the request for service will be provided with the work order number for tracking purposes and will refer to it for any required follow-up action.

College Facilities Superintendent or designee will review the work to be completed and approve or disapprove the work order.

- The Facilities Superintendent will certify the availability of funds for minor construction work and appoint a Facilities Coordinator to be the point of contact for the college with the Facilities Department.
- The Facilities Superintendent will contact the Vice President for College Services with concerns relating to work orders.

Emergency Response and Evacuation Procedures

The Alamo Colleges District Police Department is the primary first responder to any emergencies on all campuses. Campus and community emergency responders such as the Alamo Colleges District Environmental Health, Safety and Risk Management team, and the respective Fire Departments supporting each college may also respond to the emergency scene depending on the scope of the emergency.

Preparedness is everyone's responsibility!

The Alamo Colleges District has developed an Emergency Procedures Quick Reference Guide, available on its website at [Enterprise Risk Management](#). The guide provides information regarding protective actions during emergencies, such as an active shooter incident, suspicious package discovery, tornadoes, severe weather, hazardous materials, medical emergencies, and emergency

contact phone numbers.

All campuses have evacuation maps next to the elevators in each building at all campuses. The Alamo Colleges District Office of Enterprise Risk Management coordinates the BAT (Building Action Team) program, which trains faculty and staff on evacuation procedures, shelter-in-place procedures, utilizing Evac-chairs (mobility-impaired evacuation chairs), fire safety, incident command system, crime prevention, and active shooter response. The BAT assists with building evacuations.

Confirmation of an Emergency or Dangerous Situation

Alamo Colleges District Police Officers are dispatched to the location where the incident has been reported to confirm a significant emergency or dangerous situation is occurring on campus. If responding officers confirm a significant emergency or dangerous situation, the police field supervisor will ensure the ACDPD dispatch center notifies the appropriate college officials. The field supervisor can activate emergency notifications to the campus community affected by the emergency or dangerous situation, in consultation with the Alamo Colleges Director of Enterprise Risk Management and the Chief of Public Safety or Designee. Department and College Administrators will be promptly notified of major incidents by the Chief of Public Safety or Designee.

Emergency Notifications

Upon the confirmation of a significant emergency or dangerous situation involving an immediate life safety threat to students, faculty, or staff occurring on any Alamo Colleges District campus, Alamo Colleges District officials will, without delay, notify the campus community. Alamo Colleges District officials will take into account the safety of the college community when determining the content of the notification. They will initiate appropriate mass notification systems unless, in the professional judgment of Alamo Colleges District officials, the notifications will compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The Alamo Colleges District provides various methods to notify students, faculty, and staff of a developing situation or emergency. The Alamo Colleges District Police Department and the Office of Enterprise Risk Management coordinate the Alamo Colleges District Emergency Notification System.

All Alamo Colleges District mass notification systems are designed to utilize pre-scripted messages and customized emergency communication with students, faculty, and staff. Messages and alerts can quickly alert the Alamo Colleges District community via text, landline, cell phone, or email. Dispatch, Enterprise Risk Management, and District/Campus Public Relations personnel are trained to initiate the mass notification systems, including how to develop messages and alerts. Persons authorized to make notification decisions include the Chief of Public Safety or his designee, Director of Enterprise Risk Management, and the ACDPD Patrol Supervisor.

External partners, families, and agencies also have access to emergency information through the Alamo Colleges District's main website at alamo.edu. The main webpage is routinely updated during emergencies and provides an outlet for internal and external stakeholders to quickly review updates in rapidly developing situations or crises. This webpage also serves as a clearinghouse of campus emergency preparedness information, road closures, class cancellations, general alerts, and other areas of interest to the Alamo

Colleges community. For further information, visit the Campus Alerts webpage at [Campus Crime Alerts & Statistics](#)

The Alamo Colleges District Police Department also posts information on Facebook and Instagram to reach external partners.

Campus Crime Alerts: The Alamo Colleges District Police Department uses its Campus Crime Alerts section to keep students, faculty, staff, and the public informed about the status of the college(s) during emergencies.

Social Media (Facebook, Instagram and Digital Signage (Alamo Colleges TV): Social media sites provide a valuable means of interacting with the community. ACDPD uses social media to enhance communication and disseminate information about campus emergencies, crime alerts, and public safety issues. The Office of Information Technology manages digital displays across the Alamo Colleges District campuses that regularly post information and bulletins. Emergency notifications are displayed on these when needed.

Annual Exercises and Drills

Emergency preparedness and mitigation exercises provide the campus emergency response teams (ERTs) and all participants (students, faculty, and staff) the opportunity to learn their roles, responsibilities, and procedures before an actual emergency. All exercises with the emergency response team are designed to follow federal and state guidelines, ensuring consistency with the National Incident Management System and the Incident Command System. Emergency exercises are followed by after-action reports, meetings, and evaluations to identify lessons learned and explore new or improved coordination methods before, during, and after an emergency at any Alamo Colleges District campus.

The Alamo Colleges District performs five different types of drills annually. The drills are Evacuation, Reverse Evacuation, Shelter-In-Place, Severe Weather, and Lockdown.

When warranted, external agencies participate in these exercise drills, including the San Antonio Fire Department, San Antonio Police Department, and other local, county, state, and federal emergency management agencies. All exercise and drill reports are maintained internally within the office of Enterprise Risk Management.

Alcoholic Beverages, Illegal Drugs, and Weapons

As an institution interested in the campus community's intellectual, physical, and psychological well-being, the

Alamo Colleges District deems it essential to curtail the abusive or illegal use of alcoholic beverages. All members of the Alamo Colleges District community and visitors must comply with federal, state, and local laws regarding the distribution, sale, possession, and consumption of alcoholic beverages and the sale, possession, and use of illegal drugs.

No person shall possess, consume, or sell alcoholic beverages, narcotic drugs, deadly weapons, intoxicating liquors, or firearms upon College District property unless specifically authorized by the College District or as provided in Policy G.1.4 regarding concealed handguns, firearms, and ammunition in certain areas.

Anyone who uses a drug authorized by a licensed physician through a prescription specifically for that person's use shall not be considered to have violated this procedure. Refer to Board Policy G.1.4.2 – Conduct on College District Property: [Conduct on College District Property Procedure](#)

Alcoholic Beverages

The use and sale of alcoholic beverages must comply with Texas law and are strictly limited to persons 21 years of age or older. The possession, transportation, and/or consumption of alcohol by individuals less than 21 years of age are strictly prohibited on any Alamo Colleges property, including any Alamo Colleges District-sponsored event held off campus.

Alcoholic beverages shall not be possessed, sold, distributed, or consumed on College District property or at College District functions except in full compliance with Texas Alcoholic Beverage Commission (TABC) requirements and approved by the Chancellor. The Chancellor may delegate this authority and/or establish limited circumstances and locations for which prior approval is granted.

For further information on the use of Alcohol at District Facilities, refer to Board Policy G.1.4 .4 (Procedure) Use of Alcohol at District Facilities - based on Board Policy G.1.4 – Use and Access to College District Facilities: [G.1.4.4 \(Procedure\) Use of Alcohol at District Facilities](#)

Illegal Drugs

Texas state law prohibits the manufacture, sale, delivery, possession, or use of a controlled substance without legal authorization. A controlled substance includes any drug, substance, or immediate precursor covered under the Texas Controlled Substance Act, including but not limited to opiates, barbiturates, amphetamines, marijuana, and hallucinogens. Use of illegal drugs on any Alamo Colleges District Campus or at any Alamo Colleges District-sponsored event held off campus is prohibited. The possession of drug paraphernalia is also prohibited under Texas state law. Drug paraphernalia includes all equipment, products, and material of any kind that are used to facilitate, or intended or designed to facilitate, violations of the Texas Controlled Substances Act. Alleged violations of this policy may result in criminal charges and will also be adjudicated through campus disciplinary procedures.

Weapons

Per the **Texas Penal Code Chapter 46, Section 46.03, Places Weapons Prohibited**, a person commits an offense if the person intentionally, knowingly, or recklessly possesses or goes with a

A person who otherwise lawfully possesses a firearm and ammunition may transport or store the handgun or firearm or ammunition in a **locked, privately owned** motor vehicle in a College District parking lot, parking garage, or other parking area provided by the College District at their own risk.

Sexual Assault – Domestic (Family) Violence – Dating Violence – Stalking

The Alamo Colleges District Police Department is available to receive and investigate reports of sexual assault, domestic violence, dating violence, and stalking and to assist a victim in securing medical attention, participate in evidence preservation and collection, conduct investigations, and inform the victim of legal and administrative options both on and off campus.

The Alamo Colleges District Police Department is available to all victims to provide information about personal safety, Texas Crime Victim's Rights, Texas Crime Victims Compensation Fund, and other information upon request. The various campus Departments of Student Success can assist the victim with issues, including but not limited to class schedule changes and withdrawal procedures, if requested by the victim.

REPORTING: Persons who have information regarding a sexual assault are strongly encouraged to report the incident to the Alamo Colleges District Police Department or other law enforcement agencies immediately. If you are a victim of domestic violence, dating violence, or stalking, you are also strongly encouraged to notify the Alamo Colleges District Police Department or other law enforcement agency immediately. You can also report the sex crime to campus officials, who, in turn, can notify the appropriate law enforcement agency if requested. It is the policy of the department to conduct investigations of all sexual assault complaints, domestic (family) violence, dating violence, and stalking, including all other crimes, with sensitivity, compassion, patience, and respect for the victim(s). Investigations are conducted following guidelines established by Federal and State laws and with the guidance and direction of the Bexar County Criminal District Attorney's Office.

Sexual Assault

All information and reports of sexual assault are kept strictly confidential. In accordance with the Texas Code of Criminal Procedure Article 57, victims may use a pseudonym to protect their identity. A pseudonym is a set of initials or a fictitious name chosen by the victim to be used in all public files and records concerning the sexual assault. The victims of sexual assault are not required to file criminal charges or seek judicial action through the campus disciplinary process. However, victims are encouraged to report the assault to the Alamo Colleges District Police Department or other law enforcement agencies to provide the victim with physical and emotional assistance.

Information and assistance are also available through the San Antonio Rape Crisis Center Hotline at 210-349-7273, the Student Counseling Services on each campus, and the Dean of Student Success on each campus. These departments will assist the victim in contacting the Alamo Colleges District Police Department if requested. POLICY H.1.2 Civil Rights Discrimination, Harassment, and Retaliation – [H.1.2 \(Policy\) Civil Rights Discrimination, Harassment, and Retaliation](#)

The Texas Penal Code defines “**Sexual Assault**” as an offense committed by a person that intentionally or knowingly causes the penetration of the anus or sexual organ of another person by any means, without that person's consent; or causes the penetration of the mouth of another person by the sexual organ of the actor, without that person's consent; or causes the sexual organ of another person, without that person's consent, to contact or penetrate the mouth, anus, or sexual organ of another person,

including the actor (Texas Penal Code Sec. 22.011).

“Without Consent” in regard to sexual assault is defined in Texas Penal Code as:

- (1) The actor compels the other person to submit by the use of violence;
- (2) the actor compels the other person to submit by threatening to use violence against the victim or against any other person;
- (3) the other person has not consented, and the actor knows the other person is unconscious or physically unable to resist;
- (4) the actor knows that as a result of mental disease, the other person is, at the time of the sexual assault, incapable of appraising the nature of the act;
- (5) the other person has not consented, and the actor knows the other person is unaware that the sexual assault is occurring;
- (6) The actor has intentionally impaired the other person’s power to appraise the victim’s conduct by administering any substance without the victim’s knowledge (Texas Penal Code Sec. 22.011).

Guidelines or suggestions to follow after a Sexual Assault:

1. Get to a safe place as soon as you can.
2. Contact the Police Department at 210-485-0911.
3. Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later wish to take legal action.
4. Try to preserve all physical evidence. Do not wash, use the toilet, or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag.
5. Talk with a counselor who will maintain confidentiality, help explain your options, give your information, and provide emotional support. You can reach a counselor by calling the San Antonio Rape Crisis Center Hotline at 210-349-7273 or their front office at 210-521-7273.
6. Contact someone you trust to be with you and support you.

Medical Treatment

It is crucial to seek immediate and follow-up medical attention for several reasons:

1. First, assess and treat any physical injuries you may have sustained;
2. Second, to determine the risk of sexually transmitted diseases or pregnancy and take preventive measures; and
3. Third, gather evidence that could aid criminal prosecution.

Physical evidence should be collected immediately, ideally within the first 24 hours. It may be collected later than this, but the quality and quantity of the evidence may be diminished.

Domestic (Family) Violence

Victims of domestic violence (family violence) are strongly encouraged to report the incident to the Alamo Colleges District Police Department immediately.

The Higher Education Act (HEA) defines the crime category of “domestic violence” in accordance with section 40002(a) of the Violence Against Women Act of 1994 as follows:

“**Domestic Violence**” means a “felony or misdemeanor crime of violence committed by:

- A current or former spouse or intimate partner of the victim,
- A person with whom the victim shares a child in common,
- A person who is cohabiting with or has cohabitated with the victim as a spouse or intimate partner,
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies [under VAWA] (Violence Against Women’s Act), or
- Any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

The Texas Family Code defines “**Domestic Violence**” as Sec. 71.004. FAMILY VIOLENCE. "Family violence" means:

Procedures to Follow

Anyone who is a victim of sexual assault, domestic & dating violence, and stalking should immediately call the ACDPD by dialing 210-485-0911 or 911. Reporting this type of crime does not mean the victim must press charges or take the case to criminal trial or a college campus disciplinary hearing. Even if a victim is undecided about filing criminal charges, calling the police, preserving evidence, and going to the hospital will provide for their emotional and medical needs and preserve the option to file criminal charges at a later time. Anyone who believes he or she has been a victim of sexual assault, sexual harassment, or sexual violence, including stalking, is encouraged to contact the District Title IX Coordinator [AlamoCARES/Title IX](#) (210.485.0230) or the College Vice President for Student Success on campus. Victims may also report confidentially to a Counselor at any College Campus Counselor's Office.

Protective and No Contact Orders

Victims of sexual assault, domestic & dating violence, and stalking have the right to seek restraining, judicial no-contact and/or protective orders, and internal no-contact, interim suspension, and criminal trespass warnings to maintain individual and campus safety. Protective Orders may prohibit the offender

from committing further acts of family violence; or harassing or threatening the victim, either directly or indirectly by communicating the threat through another person. A “No Contact Order” is a court order or administrative order that prohibits someone from contacting another person in any way. Texas law provides for the criminal enforcement of valid protective orders issued by a Texas court and valid out-of-state protective orders. For more information on protective orders, contact the ACDPD Crime Prevention Unit at 210-485-0094 or the Bexar County Family Justice Center at 210-631-0100.

Changes in Academic and Living Situation

The Title IX/VII/ADA/504 Coordinator can assist the victim of a sexual assault, domestic & dating violence, and stalking with issues including, but not limited to, interim remedies required to protect the victim, the campus, and/or workplace safety (sanctions, discipline, class schedule changes, suspension, etc.) if so requested by the victim and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

If the reporting student provides credible evidence that the accused student presents a continuing danger to a person or property or possesses an ongoing threat of disrupting the academic process, the Title IX Coordinator may take interim action against the accused student, as appropriate.

[G.01.04.03 Ejection and Exclusion of Persons \(other than students and employees\) from Campus Procedure](#)

Title IX Requirements

Title IX prohibits discrimination on the basis of sex (gender) in education programs or activities operated by recipients of Federal financial assistance. Sexual Harassment of students, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX. Title IX requires the Alamo Colleges to take immediate action to eliminate harassment, prevent its recurrence, and address its effects. The Title IX Coordinator is responsible for the administrative investigation of claims of sexual harassment and sexual violence and ensuring there are appropriate grievance procedures for prompt and equitable resolution of student sex discrimination complaints. The Alamo Colleges District Title IX investigation differs from a law enforcement investigation, and a law enforcement investigation does not relieve the Alamo Colleges of its independent Title IX obligation to investigate conduct.

Procedures for Campus Disciplinary Action

A student may choose to report the assault to the Chief Student Conduct Officer (Dean of Student Success) or Designee for disciplinary action, regardless of whether or not the student has decided to press

criminal charges. A student may also file a report of sexual assault, domestic and dating violence, and stalking against another student or a faculty or staff member by directly contacting the Deputy Title IX Coordinator for each campus (Vice President for Student Success). All Deputy Title IX Coordinators and their Designees must receive annual training on sexual assault, domestic & dating violence, and stalking issues, and how to conduct investigations and hearings that protect the safety of victims and promote accountability.

[Civil Rights Complaint Procedure Diagram](#)

Complaint and Resolution Process

The complaint and resolution process is designed to receive, investigate, evaluate, and resolve a complaint or report of civil rights discrimination, harassment or retaliation within sixty (60) days and will be conducted with that end in mind. A Procedure Diagram outlining the process steps and roles is attached to this procedure (see Attachment A), [Civil Rights Complaint Procedure Diagram](#)

The primary steps in the process are:

1. Victim or witness notifies the Title IX/VII/ADA/504 Coordinator, Deputy Coordinator, Administrator, or ACPD (Alamo Colleges District Police Department) of a violation or potential violation.
2. Title IX/VII/ADA/504 Coordinator helps the reporter prepare a formal complaint or report.
3. Title IX/VII/ADA/504 Coordinator notifies ACDPD if the matter is also a potential police matter.
4. Title IX/VII/ADA/504 Coordinator establishes any interim remedies required to protect campus and/or workplace safety (such as suspension of employee or student).
5. Title IX/VII/ADA/504 Coordinator designates a trained Deputy Coordinator and trained Investigative Panel to conduct complaint resolution.
6. Deputy Coordinator provides concurrent official notice of the complaint to the complaining and accused parties and the senior College or ACCESS administrator(s) for the parties.
7. Investigative Panel launches an investigation to include interviewing witnesses and collecting evidence.
8. Investigative Panel concludes the investigation.
9. Investigative Panel provides concurrent preliminary findings to all parties with a five (5) day opportunity for the complainant and accused to provide any additional information for consideration by the Panel.
10. Investigative Panel considers and may investigate any additional information provided.
11. Investigative Panel Chair prepares and issues a Final Report of Investigative Findings to the Deputy Coordinator.
12. Deputy Coordinator renders an appropriate Resolution of the complaint based on the Investigation Panel's Final Report of Investigative Findings and the preponderance of all evidence collected by

the Panel.

13. Deputy Coordinator provides a written Resolution concurrently to the complainant, accused, and senior College or ACCESS administrator(s).
14. Deputy Coordinator refers any recommendations for employee discipline and/or student sanctions to the responsible administrator for evaluation and action.
15. The responsible Administrator implements appropriate Discipline or Sanctions, separate and apart from the Complaint Resolution Procedure but within, or as close to, the sixty (60) day Resolution Period as possible.
16. Complainant and Accused each have the opportunity to accept the Resolution or submit an Appeal to the Title IX/VII/ADA/504 Coordinator.
 - a. Appeals are processed in accordance with Civil Rights Appeal Procedure (H.1.2.2).

[H.1.2.2 \(Procedure\) Civil Rights Complaints Appeal Procedure](#)

After a disciplinary action is communicated to the student against whom a complaint was made, the reporter of the complaint will be notified in writing that his/her complaint or allegations of non-academic misconduct have been investigated, and the disciplinary sanctions imposed on the student who was found responsible.

Administrative Disposition of Complaint and Violations

After the investigation is completed, one of the following will be decided:

1. To dismiss the complaint/reported allegations as unfounded based on the preponderance of the evidence; or
2. To proceed with disciplinary action because the allegations in the complaint or report are determined to be true based on the preponderance of the evidence.

A report or complaint of an alleged violation of the Student Code of Conduct should be documented in writing or through the electronic reporting system. When the Chief Student Affairs Officer, Dean of Student Success, or designee receives information or a report that a student has allegedly violated the Student Code of Conduct, the Chief Student Affairs Officer, Dean of Student Success, or designee, such as the Student Conduct Officer, if any, shall investigate the alleged violation. An investigation may be hampered or may not take place if the complaint or report is anonymous. The person who conducts the investigation is deemed to be the "Investigator." Some violations of the Student Code of Conduct also may constitute violations of the Civil Rights Discrimination, Harassment and Retaliation Policy at H.1.2.2. If such violations have also been reported to Campus Police and the Title IX/Title VII/ADA/504 Coordinator, separate investigations may occur.

Based on Board Policy: F.4.2 – Student Code of Conduct and F.4.2.1 (Procedure) Non-Academic Misconduct Disciplinary and Appeal Process, Vice Chancellor for Student Success / Vice Chancellor for Academic Success are responsible departments for the Disciplinary and Appeal Process. [F.04.02.01 Non-Academic Misconduct Disciplinary and Appeal Process Procedure](#).

Institutional Standard of Evidence

The standard of evidence in determining responsibility for an alleged violation of the Student Code of Conduct (F.4.2.1) and other Board Policies, including the policy on Civil Rights Discrimination, Harassment, and Retaliation (H.1.2), is a preponderance of the evidence. Preponderance of the evidence is defined in the Student Code of Conduct (F.4.2.1) as “the greater weight of credible evidence (more likely than not).” Legal rules of evidence do not apply to hearings or meetings involving the disciplinary and appeal process. Evidence tending to prove or disprove the allegations will be considered. Irrelevant, immaterial, and unduly repetitious evidence and evidence deemed not reasonably reliable or authentic shall be excluded. If the student chooses not to testify or present his / her case, the student may nonetheless be questioned, but the student may refuse to answer. If the student refuses to testify or answer or present his / her case, only the evidence presented by the College will be considered in rendering a decision. If the student does testify or present evidence, he / she may be questioned by the Officer presenting the College’s case or committee members.

Privileged communications between a student and a member of the professional counseling staff will be recognized. However, if the information disclosed presents an actual or threatened harm to the health, safety, or wellbeing of any person (including the student), the information may be used for any appropriate purpose, including referral to the Strategies of Behavioral Intervention (SOBI) process.

Sanctions That May Be Imposed

The disciplinary actions assessed in a particular case will be dependent upon the nature of the conduct involved, the circumstances and conditions which existed at the time the student engaged in the conduct, and the results which followed as a natural consequence of the conduct.

Sanctions can include:

1. Warning

2. Administrative Hold
3. Educational Enrichment
4. Probation
5. Suspension
6. Expulsion
7. Withholding Diploma
8. Revocation of Degree
9. Organizational Sanctions
10. Other Actions

The Alamo Colleges District will, upon written request, disclose to the alleged victim of any crime of violence, or a non-forcible sex offense, the results of any disciplinary proceedings conducted against a student who is the alleged perpetrator of such crime or offense with respect to such crime or offense. If the alleged victim of such crime or offense is deceased as a result of the crime/offense, the victim's next of kin shall be treated as the alleged victim.

Victims' Bill of Rights

The United States Congress enacted the "Campus Sexual Assault Victim's Bill of Rights" as a part of the Higher Education Amendments of 1992, as amended by the Campus Sexual Violence Elimination Act (Campus SaVE). This law requires that all universities afford sexual assault victims certain basic rights such as:

- Accuser and accused must have the same opportunity to have others present, including the opportunity to be accompanied to any related meeting or proceeding by an advisor of their choice.
- Both parties shall be simultaneously informed of the outcome of any disciplinary proceeding in writing.
- Survivors shall be informed of their options to notify law enforcement, including on-campus and local police.
- Survivors shall be notified of counseling services.
- Survivors shall be notified of options for changing academic and living situations, transportation, and working situations, if so requested by the victim and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

Hazing Prevention and Reporting

In accordance with state law, hazing is strictly prohibited in all student organizations and activities. Hazing is defined as any intentional, knowing, or reckless action that endangers the physical or mental health or safety of a student for the purpose of initiation, admission, or affiliation with a student group.

Students are encouraged to report suspected hazing using the Student Conduct Form in ACES. Reports are confidential, and all allegations will be addressed promptly. For additional information, contact your college Office of Student Life.

What Is Hazing?

Hazing may be summarized as any intentional, knowing, or reckless act occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student even if that student consents, for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization with as few as two members and whether or not recognized, if the act involves any type of:

- Physical harm or brutality (ex: hitting, striking, branding, shocking, placing harmful substances on someone)
- Stress or unreasonable risk of harm (ex: sleep deprivation, exposure to the elements, confinement, extreme calisthenics, sexual acts)
- Forced or dangerous consumption (ex: food, alcohol, drugs, or other substances that adversely affect mental or physical health or safety)
- Words or conduct which would induce a reasonable fear of bodily harm
- Violation or inducement of another person to violate the law

A person can commit a hazing offense by:

- Engaging in hazing
- Soliciting, directing, encouraging, aiding, or attempting to aid hazing
- Intentionally, knowingly, or recklessly allowing hazing to occur
- Failing to report in writing firsthand knowledge that hazing is planned or has occurred

Texas Law Penalties

Hazing can be a criminal offense for individuals and organizations. Failure to report hazing:

Individuals:

- Up to a \$2,000 fine, and/or up to 180 days in jail
- Penalties for other individual hazing offenses vary according to the severity of the injury that results; they range from a fine of no more than \$2,000 and/or no more than 180 days in county jail, to a state jail term between 180 days and two years and a fine of no more than \$10,000

Organizations:

- Fines ranging from \$5,000 to \$10,000
- If hazing causes injury/property loss, the fine can be at least \$5,000 or more than double the amount of the loss/expenses caused

Protection for Reporting

State law grants immunity from civil or criminal liability to any person who reports a specific hazing event and immunizes that person from prosecution in any judicial proceeding resulting from that report.

How to Report Hazing

If you become aware of hazing that is planned or has occurred, you must promptly report it to your college's Office of Student Life.

Sex Offender Registry

The “[Campus Sex Crimes Prevention Act](#)” is a federal law enacted on October 28, 2000, that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education or working or volunteering on campus.

This act amends the [Family Educational Rights and Privacy Act of 1974](#) to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders and requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

Information about registered sex offenders may be found on the Texas Department of Public Safety web page at [Public Sex Offender Registry Search](#) or by contacting the Alamo Colleges District Police Department.

Missing Students Who Reside in On-Campus Housing

The requirement to have a missing student notification policy applies to institutions that maintain on-campus student housing. Alamo Colleges District does not provide on-campus housing at this time; therefore, a policy is not required.

The Alamo Colleges District Police Department complies with Public Law 108 -21 – Title II, Sec. 204, typically referred to as “Suzanne’s” Law. This law amends Section 3701(a) of the Crime Control Act of 1990 (42 U.S.C. 5779(a)), indicating there is no waiting period before law enforcement agencies can initiate an investigation of a missing person under the age of 21 and report the missing person to the National Crime Information Center of the Department of Justice.

To report a missing person, contact Alamo Colleges District Police at 210-485-0099 or speak to an officer on campus.

Policy for Reporting the Annual Disclosure of Crime Statistics

The Alamo Colleges District Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies, Student Services, and the Dean of Student Life at each campus. Each entity provides updated information on its educational efforts and programs to comply with the Act.

Campus crime and referral statistics include those reported to the Alamo Colleges District Police Department, designated campus officials (including but not limited to directors, deans, department heads, advisors to students/student organizations, and athletic coaches), and local law enforcement agencies.

Each year, an email notification is sent to all current students, faculty, and staff to provide the website to view this report. Upon request, prospective students and employees may obtain a copy of the report at the Alamo Colleges District Police Department at 2222 N. Alamo Street, or by calling (210) 485 -0099; or on our website under Department Resources [Police Department](#).

Theft Prevention and Tips

Although the Clery Act does not require the statistical reporting of theft offenses unless the theft is a hate crime or bias-motivated, the Alamo Colleges District Police Department believes that our community should be aware of and guard against the theft of their property.

In 2025, the Alamo Colleges District Police Department received 51 reports of theft district-wide. All of us need to understand our role in the reduction of crime. A lesson taught to all crime prevention practitioners is often referred to as the Crime Triangle. For any crime to occur, three elements must be present: desire, ability, and opportunity.

Alamo Colleges District community members easily recognize that little can be done to control the criminal's ability and desire. The Alamo Colleges District Community's greatest strength in preventing crime is our initiative to reduce or eliminate the opportunity for a crime to occur.

Protect Your Property

By being more aware and observant during your daily activities, if you feel a person's actions appear suspicious, take the time to notify the police. We would much rather receive the call and determine later there was no problem than to learn a crime had been committed.

By being proactive, you can record your property's make, model, and serial number and engrave your driver's license number with the prefix from the state of issuance. Once you have gathered this information, secure it so that if you are victimized, it can be entered into the state and national database of stolen property.

- When you leave your office, close and lock the door.
- Don't leave your property (backpacks, textbooks, purses, etc.) unattended and unsecured in the hallway while attending class or other activities.
- Don't leave property unsecured in your office and cubicle. Secure your valuables in a locked desk or cabinet while out of the office.
- Promptly report the presence of suspicious strangers in buildings.
- Don't leave your property unattended and unsecured.
- Don't leave your property unattended beside the court or along the sidelines during your participation in activities in a recreational facility or on a sports field.
- If lost or stolen, promptly report and cancel your credit and debit cards to prevent unauthorized use.
- Don't leave your laptop computers or other computer hand-held devices unattended or unsecured.

- Don't leave your property in plain view in your parked vehicle. Remove and store the items securely in the trunk or remove it for safekeeping.

When you review the statistics on college and university campuses where bicycles are a popular mode of transportation, you will find that bicycles are a prime target of opportunistic thieves. The Alamo Colleges District Police Department encourages all bicyclists to participate in Operation Identification by engraving their driver's license number with the appropriate state prefix on the frame and the rims and accessories where practical. We recommend recording the bicycle's color, make, model, serial number, and gearing (single speed or multi-speed).

Always lock the whole bicycle to the bicycle rack; ensure it is secured to prevent the removal of the frame or tires.

You should always report suspicious activity that occurs near or at the bicycle racks.

These are examples of activities that have helped deter the opportunistic thief from taking advantage of you. Our department strongly believes the sharing of this information can help in the prevention and reduction of crime.

Crime Prevention Programs

A primary goal of the Alamo Colleges District Police Department is to prevent crime before it occurs. Because Alamo Colleges District Police Department officers cannot be everywhere all the time, they need the help of all members of the various campus communities to take an active role in protecting their personal safety and property. Crime prevention is vital to campus communities, and you can help by reporting any crime or any suspected crime to the Alamo Colleges District Police Department immediately. By doing so, you may be preventing someone else from becoming a victim of a more serious crime.

The Alamo Colleges District Police Department regularly presents programs covering crime prevention and security information to students, staff, and faculty. They participate in and provide information during new student orientation and other programs scheduled annually with student, staff, and faculty organizations. For additional information or to schedule a program, you are encouraged to call the Alamo Colleges District Police Department at (210) 485-0099 and ask to speak to the Crime Prevention Officer. The Alamo Colleges District Police Department maintains an active Facebook page at [Facebook.com/ACPD](https://www.facebook.com/ACPD) and Instagram page at [instagram.com/alamopd201](https://www.instagram.com/alamopd201) dedicated to providing up-to-date crime prevention and safety information and tips to our community. Other duties include conducting continuous security surveys and threat assessments of all campus buildings and property to create and maintain safe and secure environments conducive to learning.

Police Escort Program: Anyone on campus may request a police escort from one campus destination to another. By calling 210-485-0099, our Emergency Communications Center, a uniformed police officer will respond to provide you with this free service.

Crime Prevention Presentations: Crime prevention presentations on personal safety, sexual assault prevention, acquaintance rape, alcohol and drug awareness, burglary and theft prevention, and office safety (Shots Fired-Active Shooter) are conducted for students, faculty, and staff. The Crime Prevention

Unit works closely with campus student groups to develop and schedule presentations. Contact the Crime Prevention Unit at 210-485-0094 for more information. Customized crime prevention presentations are available upon request.

Printed Crime Prevention Literature: Crime prevention literature related to sexual assault awareness and prevention, with procedures to follow when a sex offense occurs. Other literature includes, but is not limited to, personal safety, identity theft, auto theft prevention, and residential security, and is available at designated locations throughout the campuses. Specialized crime prevention literature is available upon request. The ACDPD website also has crime prevention information available at [Crime Prevention & Personal Safety](#).

Operation Bike ID: Operation Bike ID is an ongoing program that involves collecting information about your bicycle and a photo, which is stored in a database used by the Alamo Colleges District Police Department. This program is advertised every semester; however, the program is available year-round, 24 hours a day and seven days a week. You may contact any Alamo Colleges District Police Officer who will assist you in registering your bicycle. Contact our Crime Prevention Unit at 210-485-0094 for more details.

National Night Out: National Night Out is an annual event where the police and Alamo Colleges District community unite to raise community awareness and involvement in preventing crime. In some instances, Alamo Colleges District Police Officers will attend and support surrounding community National Night Out events.

Description of Educational Programs

Many campus resources can help campus community members reduce their risk of becoming a victim of sexual assault:

Sexual Assault Awareness: In the Sexual Assault Awareness presentation, students understand the definition of sexual assault, family violence, dating violence, and stalking, including how it occurs and ways to avoid/prevent these circumstances. This presentation is usually given twice each semester and introduced during student orientation at the beginning of each semester. Special presentations are also available at any given time. To maximize academic success, student participation is encouraged during the discussion on prevention/awareness strategies and available resources.

All First-Time in College students and those required to take a Student Development course will be given the Haven online VAWA/Campus SAVE training course. This course is an interactive online course broken up into several modules and addresses issues of sexual harassment, sexual assault, dating/domestic violence, stalking, and bystander awareness. The program provides specific information on institutional and college-level reporting procedures, confidential reporting, law enforcement information, and on-campus and off-campus resources. While this program is embedded in the Student Development courses, it is made available free of charge to all students with a student account.
