Agenda Items;

- Welcome & Introductions
- 2 new Supplemental Forms to vote on for SAF funding
- Monday, Feb 9th – March 6th at 12-noon.

1. Will need to vote on two supplemental requests for Spring 26 events- David Galindo –Faculty event for Humanities and Government- Love shouldn't Hurt- event on March 23rd. Needs extra funds for refreshments asking for \$210.00 Questions from committee were how long the event is and are refreshments needed? Event is from 12:30-5 – **The committee approved unanimously to support the \$210 for refreshments.**

2. Esteban Delgado – NVC Art club asking for \$400 for supplies for NVC students. Questions from committee how many students can participate = ALL NVC students can participate but the top 5 canvas will be shared with PJ's children home to decorate a room in the children's shelter. Do we already have art supplies, so we don't have to buy more- the supplies that student life has are not appropriate for canvas designs, more to paint rocks etc. The importance was explained to the committee, of NVC art being in the community and the impact it could make on children specifically. **The Committee approved unanimously to support the \$400 for art supplies.**

3. SAF funding requests will go out via email to all NVC employees and RSO's to request funds for next academic year on Friday 2.13.26.
