THE WILDCAT WAY: HSP NEWSLETTER

CELEBRATING A RECORD-BREAKING YEAR 🎉

For the 2026-2027 academic year, the Northwest Vista College Dual Credit Program has reached a new enrollment milestone with more than 11,000 dual credit students enrolled in the Fall term!

A special thank you to our valued Dual Credit partners:

- NISD
- Boerne ISD
- Kerrville ISD
- Homeschool partners
- Private and Charter Schools

Together, the Alamo Colleges Dual Credit Programs reached 29,652 dual credit students, surpassing our strategic goal of 29,000 students an incredible three years ahead of schedule.

This achievement reflects the dedication and collaboration of our Dual Credit teams, college faculty and staff, high school partners, and students. By expanding access to college courses while in high school, Alamo colleges are creating more opportunities for student success and making a lasting impact in our communities.

Thank you for being part of this remarkable milestone. We look forward to celebrating this achievement and the continued success of our students! 🌟
