ADDENDUM I
Purchase of Immunizations, Drug & Background Screening
Services for Students
CSP No. 19A-010

I. The following is being provided in response to questions received:

1. Question: We do not do immunizations. Could we partner with a company that performs that service?

Response: In accordance with Section 3 – Proposal Pricing Schedule, “Offerors need not propose pricing for all items to be considered for award” (pages 21-22 of the CSP).

Additionally, all Offerors are encouraged to submit a proposal. All proposals received will be evaluated in accordance with the CSP minimum qualifications and specifications. Purchases will be made from the awarded Offeror submitting a proposal.

2. Question: Do most of your applicants reside in the geographical areas of the college?

Response: Yes. Most of our applicants reside in the geographic location of the Alamo Colleges District and its surrounding areas. For a listing of campus locations, refer to the following hyperlink: <https://www.alamo.edu/about-us/our-district/maps/>.

3. Question: In regards to pricing, do you want all true names (aliases) or single names?

Response: In reference to Section 3 – Proposal Pricing Schedule (pages 21-22 of the CSP), Offeror is to propose pricing for background screening services for all true names (aliases). Additionally, Offeror should include a copy of firm’s price listing for all available service options with Offeror’s proposal.

The deadline to submit a proposal for this project is by no later than 2:00 p.m. C.S.T., August 15, 2019.
