STUDENTS FIRST PLANNING PROCESS

44

I'm both proud and in awe of your resilience and steadfastness as you work together with our faculty and staff to take on the challenges our collective new reality presents. Many of you overcame great odds and made personal sacrifices to

take a bold step into higher education in order to create new life opportunities for yourself and your families. Now, as a result of a world-wide pandemic, you have had to redouble your efforts and embrace a new way of learning. I want to assure you that we are here to support you. You, our students, are our first priority.

In Service,

Chancellor Dr. Mike Flores

Students First Planning Process

Our Pledge

The Alamo Colleges District has developed this to guide a successful limited return from remote learning. Our priority is to protect the health and well-being of our students, faculty, and staff, while also continuing to support student success, performance excellence and employee engagement. This guide reflects the policies, procedures, COVID-19 Recovery Task Force recommendations and ACD COVID-19 Incident Command decisions to support our successful return from remote learning. We continue to align our plans with local and state declarations and follow the health and safety guidelines of the City of San Antonio's Metro Health and the Center for Disease Control and Prevention (CDC).

Shared Responsibility:

Stopping the spread of COVID-19 requires responsible action by every member of the ACD family to follow the protocols outline in this guide. All students, employees and visitors are expected to promote and abide by current policies, such as <u>C.2.1.9</u> "Use of Face Coverings/Social Distancing at College <u>District Sites</u>", as well as the protocols and guidelines outlined in this guide.

Student Pledge

To support our value of "respect for all," all Alamo Colleges students should make a pledge to each other to do their part to keep their fellow students, employees and community members safe.

As Alamo Colleges students, we pledge to:

Protect Ourselves

- Stay safe
- Monitor for the symptoms of COVID-19 and report to a health care professional if I experience fever, new shortness of breath or difficulty breathing, new chills or muscle aches, new cough, headache, sore throat or new loss of taste or smell
- Wash my hands often with soap and water for at least 20 seconds or use hand sanitizer

Protect Our Alamo Colleges Family

- Wear a face covering on campus and around others
- Maintain appropriate physical distancing
- Read and follow on-campus instructional signs and directions
- Stay home if I feel ill or after exposure to someone who is ill or has tested positive for COVID-19
- Keep my belongings, personal spaces and shared common spaces clean
- Follow all public health requests and guidance to preserve the wellness of the community

PROTECTION & PREVENTION MEASURES

Protection & Prevention Measures

Health & Safety Guidance:

Temperature checks will be required for all students, faculty, and staff on campus for Spring 2021. When entering a campus, students, faculty, staff and visitors will pass through a designated entry point, where a temperature check and health screening questionnaire will be conducted. Masking will be required to ensure the safest possible environment is maintained for everyone and to control the number of individuals in each college and at any one time. Individuals who do not pass the health screening or masking standards will not be granted access.

Daily Self-Monitoring

Each day before returning to campus, make sure you are free of ANY symptoms potentially related to COVID-19. At this time, these symptoms include one or more of the following:

- Cough
- Shortness of breath or difficulty breathing
- Fever (100 degrees F or higher)
- Chills
- Repeated shaking with chills
- Runny nose or new sinus congestion
- Muscle pain
- Headache
- Sore throat
- Fatigue
- New gastrointestinal symptoms
- New loss of taste or smell

If you have any new symptoms or are feeling sick, inform your instructor, make plans to stay at home, and pursue medical attention. Do not attend class if you have any of the symptoms outlined above. STAY HEALTHY, ALAMO COLLEGES FAMILY

Protect yourself and prevent COVID-19 spread!

If you are sick, or caring for others who are sick, stay home.

Keep six feet distance between you and others when possible.

Wash your hands well with soap and water often.

Avoid touching your eyes and face mask with unwashed hands.

Cough or sneeze into a tissue and dispose of used tissues in the trash.

Use hand sanitizer and surface wipes to disinfect often.

Protection & Prevention Measures

Face Covering & Face Mask Procedure

The Center for Disease Control and Prevention (CDC) recommends the use of cloth face coverings ("masks") in public and at institutions of higher education, in particular, to slow the spread of COVID-19. The Governor of Texas, Bexar County and the City of San Antonio also advocate, and may require, the use of masks in public and group settings.

- Students are required to wear masks on campus and upon entry to any campus building, and as required or encouraged in public settings.
- Students are required to wear masks during their entire presence on campus, in all buildings, at indoor and outdoor common areas, going to and from buildings, and at outdoor events where people congregate.
- Students at clinical sites must wear masks or respirators approved by CDC as required by the clinical site. This requirement may be stated in a class syllabus.
- Students who do not wear masks will not be allowed to remain in any classroom, laboratory, or campus, unless they accept available masks furnished by the Alamo College District. A faculty member may enforce the mask requirement in the classroom and may report a non-compliant student to the Student Conduct officer for determination of any violation of the Student Code of Conduct, unless a legitimate reason exists for non-compliance with this procedure as determined by the Alamo College District.
- As an alternative to complying with the mask requirement, a student may register before the beginning of the semester for online courses or be transferred to online learning when feasible, with the student's agreement.

HOW TO APPLY AND REMOVE YOUR MASK

Face coverings and masks are meant to help prevent harmful air particles from entering the mouth and nose. Incorrect use of face coverings increases the risk of community spread.

The Alamo Colleges District requires all students, staff and faculty to wear a face covering and mask while on campus to ensure the safest possible environment.

WASH YOUR HANDS BEFORE WEARING YOUR MASK

WASH YOUR HANDS BEFORE

REMOVING YOUR MASK

SECURE THE STRINGS AROUND YOUR EARS

S FIX THE MASK TO FIT THE S SHAPE OF YOUR NOSE

STRETCH THE MASK TO OVER YOUR CHIN

DO NOT TOUCH THE MASK WHILE USING IT

Academic Success – Key Considerations:

Face-to-Face (F2F) courses will be prioritized to support student success for the following reasons:

- 1. Specialized accreditors will not allow completion in a remote format.
- 2. Psychomotor competencies/affective skills cannot be assessed remotely.
- 3. Practicums, labs, clinical and internships are required F2F.
- 4. Program cohorts and curriculum sequence must be delivered F2F to prevent impacting the ability of the next program cohort to start.
- 5. Incompletes assigned to classes in the previous semester.
- 6. To support equity, colleges will provide opportunities for student populations that demonstrate greater success in F2F environments.
- 7. Courses needed to support partnerships with external stakeholders.

STUDENT RESOURCES

Student Resources

Student Advocacy Center Support Resources:

During this challenging time, the Student Advocacy Centers across the Alamo Colleges District will continue to support our students by providing wraparound support services remotely. We will help with issues that are outside the classroom but can negatively impact stress, focus, and student performance. Online counseling and case management support, as well as emergency aid and access to community resources are available.

Please contact the Alamo Colleges Helpline at 210-486-1111 for assistance or visit <u>https://www.alamo.edu/experience-the-alamo-colleges/current-students/student-opportunities/advocacy-centers/.</u>

COVID-19 Student Impact Fund:

For many of our students, making ends meet while balancing classes, job and family can be overwhelming at the best of times. Many students were already struggling with food and housing insecurity and financial instability. The COVID-19 crisis adds new burdens and directly impacts students' ability to remain in college.

To support our students through this crisis, the Alamo Colleges District has established a COVID-19 Student Impact Fund to provide emergency resources for students who need temporary assistance so they can:

- Buy groceries
- Pay rent or utility bills
- Access technology needed to support remote learning
- Pay healthcare expenses
- Make up for lost wages

To apply for other available emergency aid, please contact one of the colleges' Student Advocacy Centers through the Alamo Colleges Advocacy Helpline at 210-486-1111.

Wellness 360 Healthcare:

Through a partnership with UT Health San Antonio Wellness 360, healthcare services are available for Alamo Colleges students. Visit a medical professional virtually from anywhere you have phone and internet access, by calling 210-485-0571 or visiting alamo.edu/wellness 360, Monday - Friday, 8 a.m. – 5 p.m.
