St. Philip's College

Dear St. Philip's College Class of 2024,

On behalf of the faculty, staff and administration of St. Philip's College, I congratulate you on your achievement!

You have shown that you value higher education and you've worked hard to achieve success. Your graduation has an impact on your family, industry and community.

Our mission is simply the success of our students. St. Philip's started as a church school for black girls who were the daughters and granddaughters of emancipated slaves. The school focused on cooking and sewing, and helped girls build leadership and marketable skills.

St. Philip's College, one of the oldest and most diverse community colleges in the nation, turned 125 years old on March 1, 2023. We are both a historically Black college and a Hispanic-Serving Institution. We are excited about our physical, programmatic and population growth and you are a part of our legacy.

Since 1898, we have moved from our original location in La Villita to the current location on San Antonio's Eastside with an additional campus at the old Kelly Field on Quintana Road. Today, we are a multi-campus community college with about 14,000 students pursuing degrees and certificates that lead to high-wage, high-demand careers in support of economic growth of the greater San Antonio area.

St. Philip's College will offer our first baccalaureate program, Bachelor of Applied Science Degree in Cybersecurity, this fall for those interested in continuing their studies in cybersecurity.

I commend you on this wonderful milestone and I applaud you for your persistence and completion. May you continue to serve as a role model and inspiration to your family and friends.

My very best wishes in all your future endeavors.

President

Artemisia Bowden, Holy Woman

Artemisia Bowden, a teacher and administrator at St. Philip's College for more than a half-century, received recognition by the Episcopal Church as a Holy Woman.

The 78th General Convention of the Episcopal Church in Salt Lake City authorized adding Bowden's name to the liturgical calendar in "Holy Women, Holy Men: Celebrating the Saints." August 18 is her designated feast day.

Dr. Adena Williams Loston, President of St. Philip's College, said it was fitting the Episcopal Church recognized Bowden's service. "Miss Bowden came to San Antonio as a very young person, with no relatives here or network. She had to establish herself in a new community, but she had the church which brought her here," Loston said. "The only strong relationship she had was with the church."

A graduate of St. Augustine Normal School in Raleigh, North Carolina, Bowden, daughter of a former slave, taught for two years in North Carolina before becoming principal of St. Philip's. "Our highest ambition is to send from our institution true, God-fearing women, who are not ashamed of the truth and whose characters are spotless," Bowden wrote in a 1904 report on St. Philip's.

Loston said Bowden deserves the title "Savior of St. Philip's" because she found ways to keep the school open after the Episcopal Church withdrew its financial support. "To raise funds, she took a quartet of singing students around the country, she bartered chickens and eggs, she discontinued taking a salary, and brought her relatives to teach at no cost," Loston said.

Bowden earned a bachelor's degree from St. Augustine College in 1935 and did graduate work at Columbia University and the New York School of Social Work. She received honorary degrees from Wiley and Tillotson Colleges. She retired in 1954.

Today, Bowden is remembered through the Bowden Eye Care & Health Institute, open through the University of the Incarnate Word, and Bowden Academy in SAISD. St. Philip's College has a Bowden Legacy Building, Saint Artemisia Bowden Building, and Artemisia's, the classroom-restaurant that is part of the Tourism, Hospitality and Culinary Arts Department.

Artemisia Bowden was named President Emeritus, St. Philip's College, by Alamo Colleges Board of Trustees on Sep. 15, 2015.

2024 HONORARY DEGREE RECIPIENT: ADDISON BAKER DUNCAN

Baker was a staunch advocate of education, having served as headmaster from 1962 to 1970 for his high school alma mater, Woodberry Forest School in Woodberry Forest, Virginia. While there, he started a campaign to improve and increase campus buildings and infrastructure, increased the school's endowment, and hired premier faculty members.

In 1970, Baker and his wife returned to San Antonio. He served as Director for Southwest Research Institute from 1973 to 2016. He served on the Trinity University Board of Trustees from 1976 to 2000, and in 1997, the A. Baker Duncan Scholarship Fund in the Arts was established to provide scholarship assistance to undergraduate students enrolled in the arts. He founded Duncan-Smith Company, San Antonio's oldest investment banking firm, in 1978.

He served as chairman of the Chancellor's Council for the University of Texas System in 1982, and chairman of the Academic Committee for the University of Texas Centennial Commission in 1993.

A. Baker Duncan, as he was referred to, became a friend and supporter of St. Philip's College in 2009. He initially funded the acquisition of library books focusing on culinary, cooking cuisine, and different foods from various parts of the world. After seeing and appreciating the library acquisitions, he doubled his contributions to further enhance our culinary, cooking cuisine, and foods from various parts of the world book collection.

Baker then promoted the recognition of our culinary and arts students through the Palm Restaurant by spearheading the opportunity for St. Philip's College students to participate in a restaurant design competition for Fiesta medals. The ultimate Fiesta medal was selected by the Palm management team. This competition existed for ten years, with scholarships awarded to first, second, and third-place winners. This annual Fiesta medal competition was then expanded to allow our culinary students an opportunity to participate in a dessert competition. The dessert selected was served as a special menu feature at the Palm restaurant for one week.

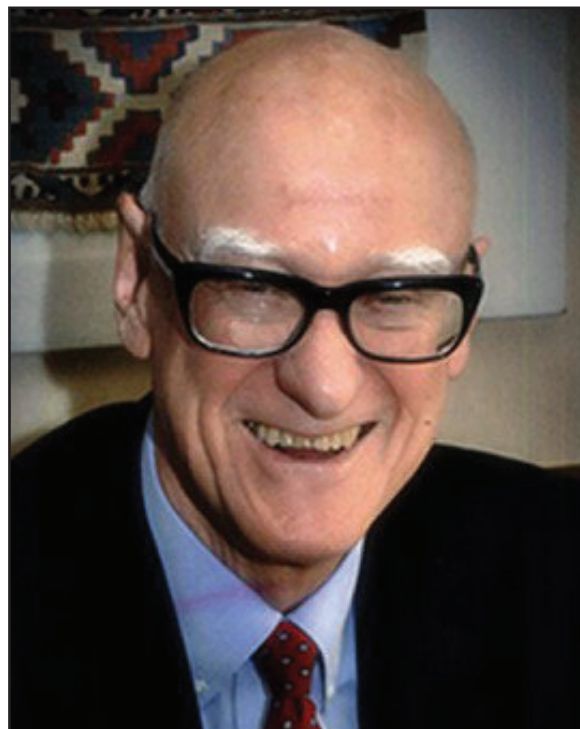

Baker assured that renovation of our facilities was addressed. He purchased two oriental rugs, a 12x18 ft. and a 12x22 ft. to be placed in our President's Gallery and Bowden Gallery.

Baker purchased ads in local community newspapers encouraging patrons to donate their culinary and cooking cuisine magazines and books to the students enrolled in the St. Philip's College Culinary Arts Programs. These books and magazines were then made available to students for their use.

Additionally, A. Baker Duncan was instrumental in advising and assisting the president in identifying potential members to serve on the President's Advisory Board. He was a fervent advocate of both secondary and higher education.

Mr. Duncan's faith was of utmost importance to him, and he was very active in his Episcopal church in San Antonio. A. Baker Duncan passed away on Jan. 16, 2019, and his beloved wife, Sally Witt Duncan, passed away on Jan. 24, 2019.

The Honorary Degree will be received on behalf of A. Baker Duncan by friend and former Chancellor of the Diocese of West Texas, Mr. Drew Cauthorn.

Historical Sketch of St. Philip's College

Bishop James Steptoe Johnston of the West Texas Diocese, the son of a former slave owner, founded St. Philip's Episcopal Church in 1895. The church established on March 1, 1898, a sewing class for black girls with fewer than 20 students in a house located in the area known today as the La Villita Historical Arts Village in downtown San Antonio. The bishop sought to elevate the sewing class to a grammar school and brought Artemisia Bowden, a teacher and daughter of a former slave, to assume leadership of the school in 1902.

Under the direction of Miss Bowden, over the ensuing 52 years, St. Philip's underwent monumental transformation, evolving from a parochial day school to an industrial school to a vocational school to a fully-accredited two-year college offering a diverse curriculum. Changes included a move in 1917 from the school's original site to a new location just east of downtown; and the creation of San Antonio Union Junior College District through an affiliation with San Antonio College and the San Antonio Independent School District in 1942. This marked the end of the college's era as a private institution. St. Philip's College became an accredited institution in 1951.

Today, St. Philip's College is a comprehensive

multi-campus institution of the Alamo Colleges District, joining four other colleges - San Antonio College, Palo Alto College, Northwest Vista College and Northeast Lakeview College - in meeting the educational needs of the region's growing and diverse communities.

St. Philip's College is both a Historically Black College and Hispanic Serving Institution. With an enrollment of more than 14,000 credit students, St. Philip's is among the oldest and most diverse community colleges in the nation.

In December 2023, St. Philip's College was approved to offer its first baccalaureate degree -- Bachelor of Applied Technology in Cybersecurity. The initial class will start in Fall 2024. This degree supports San Antonio's cyber hub, the second-largest concentration of cybersecurity jobs in the nation.

Dr. Adena Williams Loston serves as the 14th President of St. Philip's College. She assumed the reins on March 1, 2007, on the occasion of St. Philip's 109th anniversary.

ACADEMIC COSTUME AND REGALIA

Academic gowns represent a tradition which comes down from the universities of the Middle Ages. At that time they were a common form of dress for faculty and students.

The usual color for academic gowns is black, but the official color of the community college gown is blue. The bachelor's gown has long sleeves; the master's gown has slits in the elbows of the sleeves; and the doctor's gown is trimmed with velvet bands. Caps, originally round, later became square mortarboards.

The hoods once served as cowls which could be slipped over the head for warmth. Hoods are lined with colors of the college or university from which the wearer received his/her degree. The trimming or color of the hood designates the degree.

PRESIDENTIAL MEDALLION

The presidential medallion is worn by the President of the College/University at all Commencement Ceremonies as a sign of honor and regard for the institution's academic leadership. The medallion is imprinted with the official seal of St. Philip's College, and is inscribed with the former presidents of the institution and their tenures.

MACE AND GONFALON

Historically, the Mace is a symbol of authority dating from medieval times when knights carried them during processions leading the way before their kings or other dignitaries. As the tradition grew, the Mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a college/university's mace represents a symbol of authority and the mace bearer leads the ceremonial procession and is carried before the president or chancellor and platform-party dignitaries during commencement and inaugural and other academic ceremonial processions.

The commencement Gonfalon is a banner which hangs from a cross pole, bearing the school colors, seal, and division name. It signifies the different divisions within St. Philip's College. The Gonfalons lead the student processional.
