## Data Updates

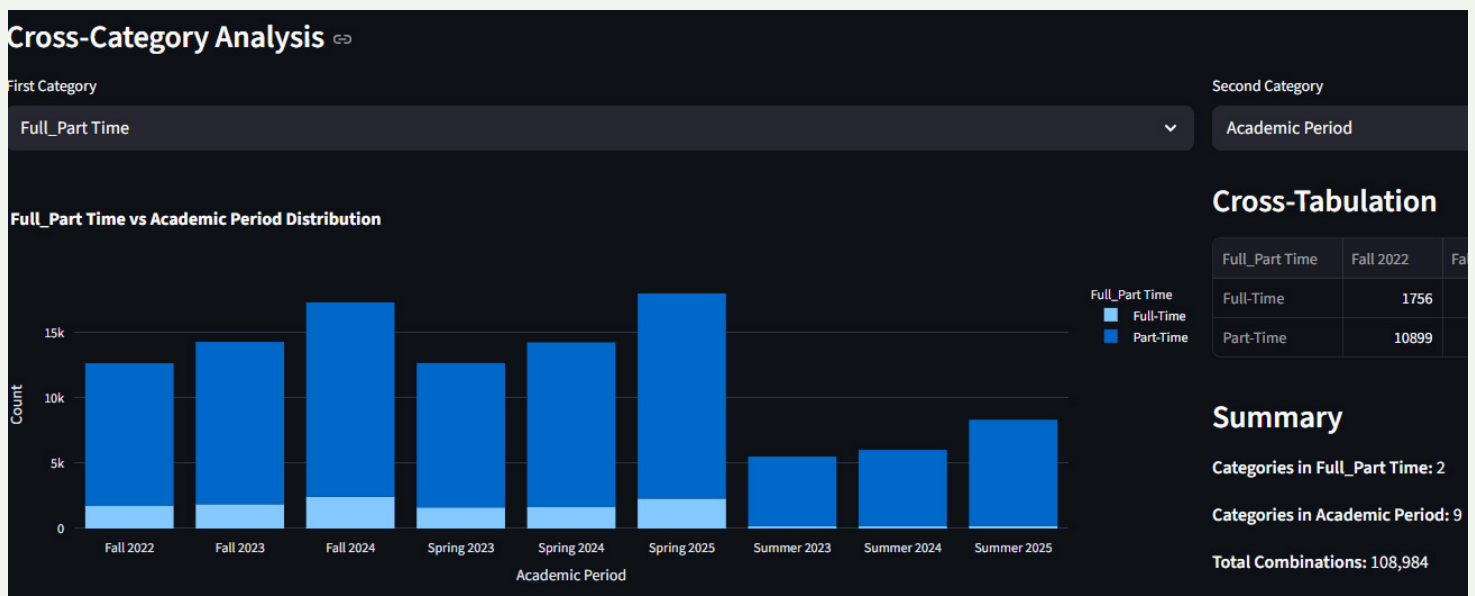

- **Helpful SPC Data Resources** (Found on the [IPRE website](#) under "Data Links")
  - Quick Facts (published yearly, contains the most commonly needed data and metrics for St. Philip's College.
  - Alamo Colleges Benchmarks
  - THECB Data
- **Data Requests**
  - [Request Form](#)- In Spring 2026, the data request form will be receiving much needed updates. With these updates, we hope to refine our communication with the SPC community. Updates will include: Tracking ID, estimated completion date, status updates, and the assigned data analyst attached to your request.

### Important:

Allow a **minimum** of 15 business days for processing.

### Coming Soon!

IPRE is in the final stages of developing a new Data Dashboard, which will "soft launch" in Spring 2026. This dashboard will feature customizable data points, allowing users to query and download reports tailored to their specific needs and areas of interest. The project is nearing completion following extensive design and implementation efforts. Be on the lookout for additional information and training guides coming in Spring 2026.

## **Institutional Data**

Institutional Planning, Research and Effectiveness can provide direct services and consultancy assistance to the St. Philip's College community, including:

- Survey research and design
- Survey research training
- Custom / ad-hoc studies
- Standard and customized reports
- Research consultation
- Planning methods and evaluation
- Federal, State, and Local agency reporting

These services are offered to ensure that our staff and faculty have the resources and support needed to effectively gather, analyze, and evaluate data while continually improving processes and procedures; concurrently maintaining a high level of data use and gathering ethics and quality.

The IPRE website is undergoing updates, the [Institutional Data](#) tab is now active and is being updated with current information.

# Department Updates

**Congratulations to Anna Saulsbury-Molina for her successful application and appointment as Director of College Institutional Readiness.**
