## OUTSTANDING FORMER STUDENT

# Danielle DeLaFuente

*Danielle DeLaFuente began her career when she graduated as a registered nurse from San Antonio College in 2004 at age 31. Today, she's a clinical instructor at the Galen College of Nursing in San Antonio. She completed her master's degree in 2021 and now plans to earn her Ph.D. in nursing.*

Her interest in cardiac health led her to her first job as a telemetry nurse at St. Luke's Hospital within the Baptist Health System. She quickly became a charge nurse, the first of many leadership positions she would take on. She eventually became a clinical nurse director at another Baptist hospital, supervising a unit of 70 nurses on a medical/surgical floor.

When she accepted a role as the interim director of a medical/surgical floor, she was inspired to earn her bachelor's degree through an online program from the University of Texas at Arlington.

She became a regional educator for Baptist Health System and eventually became the regional market director of the system's cardiovascular service line. This role led her to return to UT Arlington to pursue her master's degree in nursing.

After advancing in administrative positions, DeLaFuente felt called to teach nursing students. She accepted her current instructor position in December 2021 after completing her master's degree. She still works part-time in a nursing home to maintain her patient care skills and help her share experiences with her students.

DeLaFuente considers her mother, Stella Cirlos, MSN, RN, to be her mentor and inspiration. Cirlos went on to become the nursing program director at SAC, a position she retired from in March 2022.

A missionary trip to Uganda ignited DeLaFuente's interest in global healthcare policies and process improvement, inspiring her to pursue her Ph.D. to become involved in research.

## TRAVIS EARLY COLLEGE HIGH SCHOOL CLASS OF 2022 VALEDICTORIAN

# Marissa Sanchez

*Marissa Sanchez is the Valedictorian of Travis Early College High School's Class of 2022.*

Sanchez is graduating from Travis with a 103.33 G.P.A. At the same time, she is also graduating with an associate degree in liberal arts from San Antonio College, where she earned a 4.0 G.P.A.

After graduating she plans to attend Texas A&M College Station, where she will enter as a junior majoring in neuroscience. As class valedictorian, she received automatic acceptance and a tuition exemption at Texas A&M.

Her outstanding academic achievements are moving her toward her long-term goal of becoming a general surgeon. Her entire family is in the medical profession in various capacities, so the idea of going into healthcare always appealed to her.

As a Travis student, Sanchez began taking college courses in her freshman year. In her junior and senior years, she spent the majority of the school day in college classes alongside other SAC students.

Sanchez is a member of Gamma Sigma, National Honor Society, National Hispanic Honor Society and Mu Alpha Theta Honor Society.

She enjoys reading and is a fan of science fiction, fantasy and historical fiction and is also a self-taught origami artist.

## OUTSTANDING STUDENT SPEAKER

# Brenda Valdes

*Brenda Valdes is graduating from SAC with an associate of arts degree in psychology. She was accepted into the honors college at UTSA, where she will pursue a bachelor's degree in psychology and a minor in criminal justice. She plans to use her education to work with families and adolescents.*

Valdes came to San Antonio from a small border town in Mexico at age 23. When she was pregnant with her first son, she received services from a nonprofit organization called AVANCE, where she learned about the GED-Through-College Transition program at San Antonio College. Upon completion, she enrolled in classes for English as a Second Language at Palo Alto College.

As her family grew, she put her education dreams on hold to raise her three small children. When the COVID-19 pandemic hit, her children began attending school virtually and she attended church virtually, where she received encouragement to continue her own education. She decided to enroll at SAC and completed her degree entirely online.

While at SAC, she joined the Phi Theta Kappa Honor Society. She was also accepted into SAC's Student Leadership program, which provided her with mentor and volunteer opportunities.

She credits her U.S. history classes at SAC with Dr. Seabrook Jones with inspiring her to her earn her U.S. citizenship, and the knowledge she gained from those classes with helping her to easily pass her citizenship test.

Valdes is the first person in her family to attend college. At age 35, she is now in her first job in a work-study position at AVANCE. SAC has changed her life completely, she said, and she is proud that her achievements are inspiring others in her family to pursue their education and careers.

# About the Ceremony

## **ACADEMIC REGALIA**

Academic gowns represent a tradition that comes from the Middle Ages. At the time, gowns were a daily form of dress. Today, the official color for community colleges' gowns is blue, but San Antonio College uses its signature color of 'SAC red.' Graduation caps, also known as mortarboards, are worn with the tassel on the right until a degree is awarded, and then the tassel is moved to the left.

## **PRESIDENTIAL MEDALLION**

The presidential medallion is worn by the president of the college at all commencement ceremonies as a sign of authority. The medallion is imprinted with the official seal of San Antonio College and was designed by J. Ingle, a former Visual Arts professor.

## **MACE**

The Marshal of the Procession carries a mace as a traditional symbol of authority. During the Middle Ages, the mace served the practical purpose of protecting the academic procession from local rowdies. Today, the mace is part of the heritage and pageantry of the academic procession.

## **HONOR CORDS**

**Gold** – Phi Theta Kappa

**Black** – G.P.A. of 3.5 or higher

**Blue** – SAC Honors Academy

**Purple** – Distinguished Graduate

**Silver** – Student Ambassador

**Red, White & Blue** – Military Service

**Red & Platinum** – Student Government Association

**Black & Platinum** – National Society of Leadership & Success

**Blue, White & Gold** – PATH Program

## **GRADUATING WITH HONORS**

Students who earn a cumulative G.P.A. of 3.5 or higher are recognized as “graduating with honors.” The students receive recognition in the commencement program, wear black cords as part of the academic regalia, and participate in a special Honors Ceremony.

## **DISTINGUISHED GRADUATES**

Every year, each academic department at San Antonio College recognizes one outstanding graduate. Students receive special recognition at the commencement ceremony by wearing a purple cord to signify their status.

## **PHI THETA KAPPA**

Phi Theta Kappa is the international honor society for community, technical and junior colleges. It is based on four hallmarks: scholarship, leadership, fellowship and service. For membership, each candidate must have completed 12 semester hours of associate degree work with a 3.5 G.P.A., adhere to the school conduct codes and possess recognized qualities of leadership.

## **STUDENT DISTRICT COUNCIL**

The delegates of the Student District Council (SDC), a district-wide representative council for the Student Governments of the colleges within the Alamo Colleges District, are the collective voice for the Alamo Colleges District student body. The SDC delegates are instrumental in leading and effecting positive change for all students. SDC delegates are represented by the blue and white stole.
