WELCOME BACK TO A YEAR OF GROWTH.

On behalf of the Board of Trustees and the entire Alamo Colleges District family, we want to welcome our students, new and returning, and wish them much success in the coming year. Thankfully, we can do more than just wish our students success. We work hard to make it a reality with excellence in education proven by the Malcolm Baldrige National Quality Award, affordable education, flexible schedules, and dedicated advisors to keep students on track. We look forward to a safe and strong academic year for our students.
