153RD COMMENCEMENT CEREMONY

DECEMBER 10, 2025

FREEMAN COLISEUM

3201 E HOUSTON ST, SAN ANTONIO, TX 78219

St. Philip's College President

Dear St. Philip's College Class of 2025,

On behalf of the faculty, staff, and administration of St. Philip's College, I congratulate you on your achievement!

You have demonstrated that you value higher education and have worked hard to achieve success. Your graduation has an impact on your family, industry, and community.

Our mission is simply the success of our students. St. Philip's started as a church school for black girls who were the daughters and granddaughters of emancipated slaves. The school focused on cooking and sewing, and helped girls build leadership and marketable skills.

St. Philip's College, one of the oldest and most diverse community colleges in the nation, turned 127 years old on March 1, 2025. We are both a historically Black college and a Hispanic-Serving Institution.

Since 1917, we have relocated from our original location in La Villita to our current location on San Antonio's Eastside, with an additional campus at the former Kelly Field on Quintana Road. Today, we are a multi-campus community college that supports students pursuing baccalaureate degrees, associate degrees, certificates, and awards that lead to high-wage, high-demand careers, thereby contributing to regional economic growth.

We are excited that we have over 21,000 enrolled students this year — a record number — and you are a part of this milestone. The Bachelor of Applied Science Degree in Cybersecurity, which launched this last fall, supports San Antonio's cyber hub, the second-largest in the nation. We are proud to announce that our first cohort is graduating at this fall's commencement ceremony.

I commend you and applaud you for your persistence and completion. May you continue to serve as a role model and inspiration to your family and friends. Leave today's ceremony with the knowledge that you have gained the skills you now possess through hard work and perseverance, and proudly represent St. Philip's College.

My very best wishes in all your future endeavors.

A handwritten signature in black ink that reads "Adena Williams Loston". The signature is fluid and cursive.

Artemisia Bowden, Holy Woman

Artemisia Bowden, a teacher and administrator at St. Philip's College for more than a half-century, received recognition by the Episcopal Church as a Holy Woman.

On June 30, 2015, at the 78th General Convention of the Episcopal Church, in Salt Lake City, the Church authorized adding the name of Dr. Artemisia Bowden to its liturgical calendar in "Holy Women, Holy Men: Celebrating the Saints." August 18 is her designated feast day.

Dr. Adena Williams Loston, President of St. Philip's College, said it was fitting the Episcopal Church recognized Bowden's service. "Miss Bowden came to San Antonio as a very young person, with no relatives here or network. She had to establish herself in a new community, but she had the church which brought her here," Loston said. "The only strong relationship she had was with the church."

A graduate of St. Augustine Normal School in Raleigh, North Carolina, Bowden, daughter of a former slave, taught for two years in North Carolina before becoming principal of St. Philip's. "Our highest ambition is to send from our institution true, God-fearing women, who are not ashamed of the truth and whose characters are spotless," Bowden wrote in a 1904 report on St. Philip's.

Loston said Bowden deserves the title "Savior of St. Philip's" because she found ways to keep the school open after the Episcopal Church withdrew its financial support. "To raise funds, she took a quartet of singing students around the country, she bartered chickens and eggs, she discontinued taking a salary, and brought her relatives to teach at no cost," Loston said. Bowden earned a bachelor's degree from St.

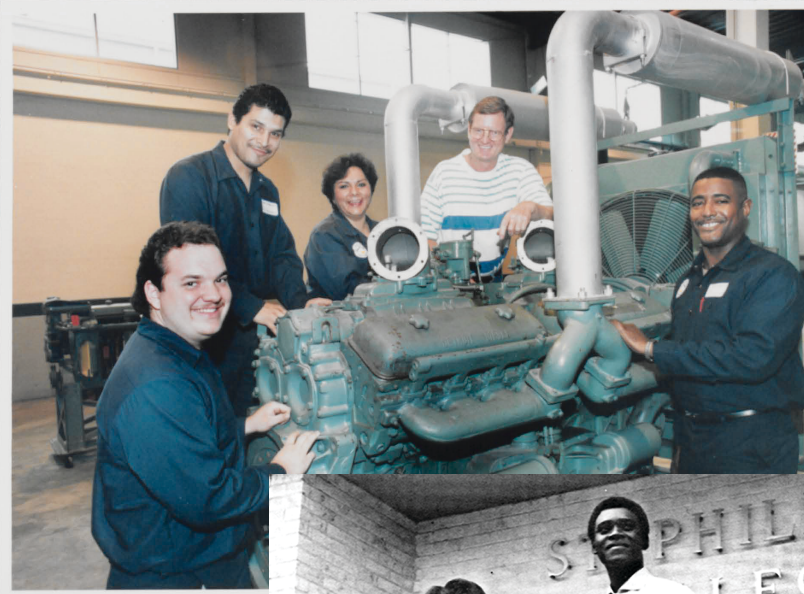

Augustine College in 1935 and did graduate work at Columbia University and the New York School of Social Work. She received honorary degrees from Wiley and Tillotson Colleges. She retired in 1954.

Today, Bowden is remembered through the Bowden Eye Care & Health Institute, open through the University of the Incarnate Word, and Bowden Academy in SAISD. St. Philip's College has a Bowden Legacy Building, Saint Artemisia Bowden Building, and Artemisia's, the classroom-restaurant that is part of the Tourism, Hospitality and Culinary Arts Department.

Artemisia Bowden was named President Emeritus, St. Philip's College, by Alamo Colleges Board of Trustees on September 15, 2015.

Historical Sketch of St. Philip's College

Bishop James Steptoe Johnston of the West Texas Diocese, the son of a former slave owner, founded St. Philip's Episcopal Church in 1895. The church established on March 1, 1898, a sewing class for black girls with fewer than 20 students in a house located in the area known today as the La Villita Historical Arts Village in downtown San Antonio. The bishop sought to elevate the sewing class to a grammar school and brought Artemisia Bowden, a teacher and daughter of emancipated slaves, to assume leadership of the school in 1902.

Under the direction of Miss Bowden, over the ensuing 52 years, St. Philip's underwent monumental transformation, evolving from a parochial day school to an industrial school to a vocational school to a two-year college offering a diverse curriculum. Changes included a move in 1917 from the school's original site to a new location just east of downtown, and the creation of San Antonio Union Junior College District through an affiliation with San Antonio College and the San Antonio Independent School District in 1942. This marked the end of the college's era as a private institution. St. Philip's College became an accredited institution in 1951.

Today, St. Philip's College is a comprehensive multi-campus institution of the Alamo Colleges District, joining four other colleges - San Antonio

College, Palo Alto College, Northwest Vista College and Northeast Lakeview College - in meeting the educational needs of the region's growing and diverse communities.

St. Philip's College is both a Historically Black College and Hispanic Serving Institution. With an enrollment of more than 21,000 students, St. Philip's is among the oldest and most diverse community colleges in the nation.

In December 2023, St. Philip's College was approved to offer its first baccalaureate degree -- Bachelor of Applied Technology in Cybersecurity. This degree supports San Antonio's cyber hub, which has the second-largest concentration of cybersecurity jobs in the United States. The baccalaureate degree was the fulfillment of Artemisia Bowden's dream for the institution.

Dr. Adena Williams Loston serves as the 14th President of St. Philip's College. She assumed the reins on March 1, 2007, on the occasion of St. Philip's 109th anniversary. Under her leadership, the college has more than doubled in size.

MACE AND GONFALON

Historically, the Mace is a symbol dating back to medieval times, when knights carried them during processions, leading the way before their kings or other dignitaries. As the tradition grew, the Mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a college/university's mace represents a symbol of authority, and the mace bearer leads the ceremonial procession and is carried before the president or chancellor and platform-party dignitaries during commencement, inaugural, and other academic ceremonial processions.

The commencement Gonfalon is a banner that hangs from a cross pole, bearing the school colors, seal, and division name. It signifies the different divisions within St. Philip's College. The Gonfalons lead the student processional.

HONORS

During the commencement ceremony, students who are members of honors programs and societies are recognized by the wearing of honor cords, stoles, or pins. These programs and societies are as follows:

ACADEMIC COSTUME AND REGALIA

Academic gowns represent a tradition that dates back to the universities of the Middle Ages. At that time, they were a common form of dress for faculty and students.

The usual color for academic gowns is black, but the official color of the community college gown is blue. The bachelor's gown has long sleeves; the master's gown has slits in the elbows of the sleeves; and the doctor's gown is trimmed with velvet bands. Caps, originally round, later became square mortarboards.

The hoods once served as cowls, which could be slipped over the head for warmth. Hoods are lined with the colors of the college or university from which the wearer received his/her degree. The trimming or color of the hood designates the degree.

Project SURE students wear a blue and gray robe to represent their achievement in the program.

General Education Diploma (GED) students wear a light blue robe as a symbol of their achievement.

PRESIDENTIAL MEDALLION

The presidential medallion is worn by the President of the College/University at all Commencement Ceremonies as a sign of honor and regard for the institution's academic leadership. The medallion is imprinted with the official seal of St. Philip's College and is inscribed with the names of the institution's former presidents and their respective tenures.
