Happy Spring SPC,

As the days grow longer and the flowers begin to bloom, we're reminded that spring is a time for renewal, growth, and fresh beginnings. It's the perfect season to reflect on how we can embrace change in our lives. Just like how nature is blooming with new possibilities, spring encourages us to step forward with optimism and a renewed sense of purpose. Let's take inspiration from this vibrant season: whether it's in our studies, our personal growth, or our community efforts, spring reminds us that we're always capable of growing and blossoming into something greater. Take a moment to embrace the energy of the season, and use it to fuel your success in every aspect of life!

We're already nearing the end of the semester, and while it might feel like the finish line is just out of reach, remember—there's only one month left! The finish line is closer than you think, and all the hard work you've put in so far is about to pay off. Keep pushing forward, stay focused, and finish strong. Just like spring reminds us that growth takes time, your efforts now will blossom into success soon. You've got this!

"Bloom where you are planted." – Saint Francis de Sales

Building Financial Confidence

SPC's New Financial Aid Coach Supports Students

Navigating college life comes with its fair share of challenges—and managing money is often one of the biggest. From student loans and credit cards to budgeting for groceries and social events, financial literacy is an essential skill that can make or break a student's peace of mind.

That's why our campus is excited to welcome Rene Munguia, our new Financial Education Coach. With a background in personal finance education and a passion for helping students succeed, Rene is here to provide one-on-one guidance, workshops, and resources to help students make informed financial decisions.

"Whether it's learning how to budget, understanding student loans, or building credit, my goal is to ensure students feel more confident about their financial future," Rene said.

Students can schedule appointments with Rene for personalized support or attend group sessions covering topics like saving, investing, managing debt, and more.

Financial literacy isn't just about numbers—it's about freedom, confidence, and the ability to focus on your goals without unnecessary stress. With Rene Munguia's guidance, students now have a trusted resource to help them thrive financially both during college and beyond.

For more info or to book a session, email Rene at rmunguia21@alamo.edu or scan the QR below and visit our SPC Financial Education website.

FAFSA FRIDAY!

Need Help with FAFSA? We've Got You.

Join us for FAFSA Fridays!

Get one-on-one help from SPC Financial Aid Counselors as we celebrate **Financial Literacy Month**.
