

**Discussion and Possible Action to Approve an Order Approving Early Voting and Election Day Voting Sites and Other Matters in Connection with the May 2, 2026 Trustee District Nine Election**

Presented to the Board Acting as Committee of the Whole on April 14, 2026 and now presented to the Board for approval at a regular meeting on April 21, 2026.

**MINUTE ORDER:**

**“The Board hereby approves the attached Order approving early voting and election day voting sites and other matters in connection with the May 2, 2026 Trustee District 9 election.”**

**PURPOSE:**

To ratify the Early Voting sites and to approve the Election Day voting sites as designated by Bexar County under the Countywide Polling Place Program and other matters in connection with the May 2, 2026 election for Trustee District Nine.

**BACKGROUND:**

On January 20, 2026, the Board called a general election on the Uniform Election Date of Saturday, May 2, 2026 to elect Trustees for single-member Districts 4, 8, and 9, whose terms expire in May 2026. The Board also approved that the Trustee election be conducted by Bexar County under a Contract for Election Services. On March 17, 2026, the Board cancelled the May 2, 2026 Trustee election for Districts 4 and 8 because the incumbents were unopposed and ordered the election to proceed as to Trustee District 9. The Board also approved the execution of the Contract for Election Services with Bexar County and payment required. Bexar County is participating in the Countywide Polling Place Program, implemented by the Texas Secretary of State and authorized by Texas Election Code §43.007, which has the effect of reducing the number of voting sites and election costs and allows voters to vote at any voting site(voting center, polling place) on Early Voting days and Election Day.

**IMPLICATIONS:**

Financial: Estimated pro rata share of \$54,855.06 with deposit of \$27,427.53, excluding cost of any runoff election for District 9
