

Graduation is Within Reach

We believe it's never too late to start or restart your path to success. It's our mission to help adult learners, just like you, achieve their goals! Take the first step on your journey to achieving your high school diploma.

What is the Alamo Colleges District Adult Diploma Pathway?

Our Adult Diploma Pathway is a high school completion program for adults that provides the flexibility, accountability, and support you need to earn your diploma. Through our partnership with Graduation Alliance, we offer more than 100 online classes, including general education courses and electives, that can be completed anytime and anywhere. Plus, you'll receive 360 degrees of personalized support to help you overcome barriers to academic success.

Why Choose Us?

Teacher and Tutors

- Teachers are dedicated to helping you explore your interests and master course concept.
- Virtual tutors are available 24/7 so you can get homework help any time of day or night!

Academic Coach and IT Support

- Your coach will build your education plan, schedule your courses, and monitor your pace and progress throughout the program to help you stay on track to graduation.
- You'll have access to full IT support on weekdays to help with access and student portal questions.

Incentives

- You can earn gift card incentives of up to \$150.00 upon completion of your High School Diploma.

How does it work?

- You'll complete flexible courses online through Graduation Alliance's student portal. When you complete all of your credit requirements, you'll earn your diploma.

What does it cost?

- If eligible, you can earn your diploma online totally free through the Adult Diploma Pathway.

How is it different ?

- Graduation Alliance classes are flexible and fully online. You make your own schedule, as long as you meet your course obligations.

How do I qualify?

- To qualify for the Adult Diploma Pathway, you must be at least 18 years old, need between 9 to 15 credit hours, and can commit to complete the program within 6 months.
