

Your Pathway to Expert Coding Skills and Industry Recognition

BECOME A CERTIFIED PROFESSIONAL CODER

Medical Billing & Coding Program

Become a Certified Professional Coder (CPC)®. This program is instructor-led and offered in a hybrid format. We'll prepare you for the CPC certification exam that tests the competencies required to perform the job of a professional coder who specializes in coding for services performed by physicians and non-physician providers.

We also include your AAPC membership with full access to networking and resources beyond your training.

Individuals who earn the CPC credential have proven expertise in physician/non-physician provider documentation review, abstract professional provider encounters, coding proficiency with CPT®, HCPCS Level II, ICD-10-CM, and compliance and regulatory requirements for physician services.

Take the first step toward success and scan the QR code to learn more.
