In the alternative, the Chancellor or designee may make trip arrangements for Trustees, and at the request of the Trustee, shall prepay expenses for airline tickets, hotel charges for the basic single-room rate, and registration and conference fees for events included in the

approved list or pre-authorized by the Board. If these items are not prepaid, the Trustee may request reimbursement pursuant to this policy.

Meals

Actual expenses of meals may be charged to the Trustee's procurement card or reimbursed, but the total cost of meals for the travel shall not exceed an allowance of \$80 per day over the travel period. The maximum for the travel period is calculated as \$80 per day multiplied by the number of days. Tips to servers are not included in the cost of meals, but should not exceed 25%. Itemized receipts are required.

If a Trustee pays for a meal of another Trustee, that amount will be reimbursed to the payer. The Trustee must list the name and the amount spent on the other Trustee. This amount will not be counted as part of the payer's travel allowance but will be counted as part of the other Trustee's travel allowance.

If a Trustee pays for the meal of a non-Trustee, the Trustee must list the name and the amount spent on the non-Trustee, and must identify the business purpose of the meal. This amount will not be counted as part of the Trustee's travel allowance.

College District employees dining with Trustees while out of town, can opt to submit for an increased meal allowance of \$80 for that day.

Lodging

An itemized hotel statement must be submitted when requesting reimbursement for lodging expenses that were not prepaid. Lodging expenses must not exceed the prevailing single room rate. The maximum duration for lodging is one night prior to the beginning of a meeting and one night subsequent to the ending of a meeting. If a Trustee exceeds the maximum duration for lodging and requests reimbursement, the Trustee may submit the request for approval pursuant to this policy. A Trustee may not be reimbursed for lodging when the Trustee is absent from the location of the meeting for any reason not connected with the duties of the Trustee.

Transportation

Mode of Transportation: A Trustee shall utilize the most economical mode of transportation that is readily available and provides reasonable, comparable transit time.

Mileage: Mileage expense shall be reimbursed at the prevailing approved rate for employees when traveling by personal vehicle.

Airfare: When airfare is not prepaid, actual expense shall be reimbursed for air travel at the prevailing coach rate unless first class is the only flight available to conduct Trustee duties, in which case a statement from the Trustee validating the necessity is required. Trustees will be reimbursed for the first two pieces of checked baggage if the airline charges a separate checked baggage fee. If a Trustee deviates from a direct route of travel by air for personal reasons, the expenses for that portion of the trip will not be reimbursable. Because of the savings available for early purchase, Trustees are asked to schedule their travel at the earliest convenient date.
