

F.3.1 (Policy) Student Health

Responsible Department: Vice Chancellor for Student Success

Board Adoption: 5-19-09

Last Board Action: 5-20-10

Last Amended: 11-16-16

Reporting

The College District shall report to the local health authority, or if required by law to the Texas Department of State Health Services regional director, a suspected case of a reportable disease as required by state law and the Texas Department of State Health Services.

Exclusion

The College District reserves the right to exclude a person with a communicable disease from College District facilities, programs, and functions, if the College District makes a medically-based determination that the restriction is necessary for the welfare of the person who has the communicable disease and/or the welfare of the other members of the College District community.
