

Fully Online Transfer Advising Guides (TAGs)

Our five Alamo Colleges know you are a student who has worked hard, and you do not want to lose time or money when you transfer. The Alamo Colleges District has numerous transfer agreements with four-year colleges and universities.

These agreements are called **Transfer Advising Guides, or TAGs**. TAGs help guide you on which required courses will transfer from Alamo Colleges to your 4-year college or university.

The first step is to select a fully online TAG from a University you want to attend and which is offered by one of the Colleges. By following a TAG, you can skip the guesswork with the help of your Certified Academic Advisor and seamlessly complete your bachelor's degree.
