We are responsible for:

- Performing an audit under US GAAS and *Government Auditing Standards* of the financial statements of the District and College prepared by management, with your oversight
- Forming and expressing an opinion about whether the District and NLC financial statements are presented fairly, in all material respects in accordance with US GAAP

- Communicating specific matters to you on a timely basis; we do not design our audit for this purpose.

An audit provides reasonable, not absolute, assurance that the financial statements do not contain material misstatements due to fraud or error. It does not relieve you or management of your responsibilities. Our respective responsibilities are described further in our engagement letter.

# Materiality

Materiality is the magnitude of an omission or misstatement that likely influences a reasonable person's judgment. It is ordinarily evaluated against relevant financial statement benchmark(s).

- We believe total expenditures for each major program are the appropriate benchmarks for the Single Audit

Financial statement items greater than materiality are within our audit scope. Other accounts or classes of transactions less than materiality may be in our scope if qualitative risk factors are present (for example, related party relationships or significant unusual transactions).
