Modifications of the Group Contract

With respect to any coverage other than disability coverage, the Group Contract is modified to include the following section:

END OF EMPLOYMENT

An Employee's employment ends when the Employee is no longer actively at work on a full-time basis for the Employer. But, for insurance purposes, the Contract Holder may consider the Employee as still employed and in the Covered Classes for the insurance during certain types of absences from full-time work. The Contract Holder decides which Employees with those types of absences are to be considered as still employed, and for how long. In doing this, the Contract Holder must not discriminate among persons in like situations.

An Employee may be considered as still employed up to any time limit for the Employee's type of absence. When so considered, the Employee's insurance under a Coverage will be continued only while the Employee is paying contributions for it at the time and in the amounts, if any, required by the Contract Holder (whether or not that insurance would otherwise be Non-contributory Insurance). But it will not be continued after it would end for a reason other than end of employment. The types of absences and the time limits are shown below, subject to any exceptions.

TYPES OF ABSENCES AND TIME LIMITS:

For absence due to part-time employment or retirement, there is no time limit.

For absence due to disability, there is no time limit.

For absence due to temporary layoff the time limit is the end of the contract month following the contract month in which the absence from full-time work starts.

For absence due to leave of absence, there is no time limit.

EXCEPTIONS:

Basic Employee Term Life Coverage

An Employee will not be continued as a member of the Covered Classes beyond the date the Employee gives Prudential written proof of Total Disability. This proof must be given according to the rules of the Extended Death Benefit During Total Disability section of the Coverage.

Accidental Death and Dismemberment Coverage

Retirement is not an eligible type of absence.
