This transfer guide is intended for students enrolled in the St. Philip's and San Antonio College and University of Phoenix Concurrent Enrollment Program (CEP). Students who are not enrolled in the St. Philip's and San Antonio College and University of Phoenix Concurrent Enrollment Program (CEP) should seek advisement from their respective institution if interested in the transferability of other programs.

### University of Phoenix Associate Degree in Nursing Block Transfer Policy

\*Effective for new students applying to University of Phoenix on or after 07/01/2017, Students transferring to University of Phoenix into an undergraduate RN to BSN program with a previously completed, regionally or nationally accredited Associate of Arts degree or Associates Degree in Nursing completed from a community college will be considered as satisfying their lower division general education and elective credits.

\*\*\*identifies courses to be taken in a non-degree admission status prior to admission into the BSN 016 program.

IMPORTANT: This summary is an estimation of credits only based on the current catalog and degree program requirements. Actual credit may vary based on each individual student's submission. Concentrations are reflected on the transcript only. All courses that apply to an associate's degree transfer to the University of Phoenix with the exception of remedial or vocational courses. Courses must have received a grade of C- or higher to transfer.

NOTE: The BSN V. 016 program at University of Phoenix is accredited by the Commission on Collegiate Nursing Education, One DuPont Circle, NW, Suite 530, Washington, DC 20036, (202) 887-6791. <http://www.aacn.nche.edu/ccne-accreditation>

The University's Central Administration is located at 1625 W. Fountainhead Pkwy., Tempe, AZ 85282-2371. Online Campus: 3157 E. Elwood St., Phoenix, AZ 85034. University of Phoenix is accredited by The Higher Learning Commission and is a member of the North Central Association.
