Introduction

The Colleges of the Alamo Colleges District – Northeast Lakeview College (NLC), Northwest Vista College (NVC), Palo Alto College (PAC), St. Philip's College (SPC) and San Antonio College (SAC) hereafter referred to as the Colleges in the Alamo Colleges District wish to partner with transfer institutions interested in ensuring students take the maximum courses possible prior to transfer with all college-level courses earned counting toward their intended field of study or major at the four-year college or university. This Memorandum of Understanding (MOU) formally recognizes that the colleges in the Alamo Colleges District – NLC, NVC, PAC, SPC, and SAC located in San Antonio, Texas and Park University are active educational partners, committed to providing greater educational opportunities and services for students transferring between institutions.

NLC, NVC, PAC, SPC, and SAC are each accredited by the Southern Association of Colleges and School – Commission on Colleges. . Park University, located in Parkville, Missouri is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. This commitment strongly supports the concept of seamless transfer that embraces the principle that transfer students should not be required to repeat courses already successfully completed.

Each institution, furthermore, is dedicated to serving students from all walks of life, regardless of race, color, sex, pregnancy, religion, creed, national origin (including ancestry), citizenship status, physical or mental disability, age, marital status (including special disabled veteran, Vietnam-era veteran, or recently separated veteran), predisposing genetic characteristics, domestic violence victim status, any other protected category under applicable local, state or federal law, or persons who have opposed discrimination or participated in any complaint process on campus or before a government agency.

Purpose

The purpose of this MOU is to formalize a partnership to assist students to achieve both associate and baccalaureate completion. Transfer articulation is with all of the Colleges in the Alamo Colleges District.

Transfer Advising Guides

The Transfer Advising Guide Team and Park University will work closely on the courses that will apply toward degree requirements. Where applicable, Park University will encourage students to complete an Associate degree at one of the Colleges in the Alamo Colleges District before transfer. If the

transfer advising guide does not meet Associate Degree requirements, both partners agree that the student should transfer and achieve the Associate Degree through reverse transfer.

Park University will accept a maximum of 75 transfer credits toward a baccalaureate degree. Where transfer advising guides include greater than 60 credit hours, the student will be advised to earn the maximum allowable hours before transfer.

Park University will notify the Colleges of the Alamo Colleges District annually of any changes in degree requirements.
